

# FROM WASTE, WE CREATE!

## GB School Clean-Up Challenge

All participating schools across Grand Bahama are invited to compete in the GB School Clean-Up Challenge, running from January to June 1st, 2026. Schools will work together to collect and remove debris from beaches, neighborhoods, and school grounds, helping to protect our island while competing for a meaningful prize.

The top school will receive a \$1,000 donation toward their Art Department or Eco Club.

### HOW IT WORKS

- Organize clean-ups with your students (clubs, classes, or teams)
- Clean-up locations can include on-campus or off-campus areas
- Collect and remove litter safely
- Record your clean-up using the **School Clean-Up Inventory Form**
- Submit your results after each clean-up

### PARTICIPATION REQUIREMENTS

- Each school must complete at least one (1) clean-up to qualify
- Schools are encouraged to complete multiple clean-ups to increase their impact and chances of winning

### GUIDELINES

- All clean-ups must be supervised by a teacher or adult
- Students should wear gloves and use proper tools
- Only collect items that are safe to handle
- Do not pick up hazardous materials (sharp objects, chemicals, etc.)
- Dispose of all collected waste responsibly
- Respect the environment—do not disturb wildlife or natural areas

## SUBMISSION REQUIREMENTS

After every clean-up, teams must submit:

### **Photos or Videos**

- Show your team in action
- Show collected items before disposal

### **Completed Inventory Form**

- Take a clear photo of the completed form

### **Send Submissions To:**

- WhatsApp: (242) 813-1539
- Email: [beribahamas@gmail.com](mailto:beribahamas@gmail.com)

## JUDGING CRITERIA

Schools will be evaluated based on:

- Overall amount of debris collected
- Consistency and participation
- Quality of submissions (photos + forms)
- Team effort and involvement

## DEADLINE

All submissions must be sent by June 1st, 2026 (end of day).

## WHY IT MATTERS

This challenge is about more than winning—it's about protecting Grand Bahama, building teamwork, and inspiring environmental responsibility. 🌱 Together, we can make a difference.

## QUICK REMINDERS

- ✓ Complete at least one clean-up
- ✓ Submit data (inventory form + photos) after every clean-up
- ✓ Stay safe
- ✓ Work as a team
- ✓ Have fun and make an impact!
