starting at \$200 • Ceremony

I'm the Sacred Rebel — think pierced pastor meets ritual guide.

I blend edge, depth, and sacred intention to craft ceremonies that honor your truth—whether that's a handfasting in the forest, a collaring in latex, or a vow exchange with your polycule.

I create custom rituals that reflect your dynamic, your energy, and your love—no matter how nontraditional it looks. Legal marriage, spiritual union, or lifestyle commitment, I hold space for it all with authenticity, respect, and heart.

Your love isn't ordinary—why should your ceremony be?

Let's make it bold, intimate, and unforgettable. Just like you.
