**SAFETY TIPS** Warm weather is approaching and children will be outside more. Please be aware when you are driving. All children should be playing in designated playgrounds, fields, and paths. Any children riding bikes need to be aware of “the rules of the road,” just as any motor vehicle operator. Also be aware that there is a curfew on Association ground for children under 18 (unless accompanied by an adult), between 9:30PM and 6:00AM.

Car thefts are running rampant in our area. Please be sure that your car is locked and your remote is not left in the car. **DO NOT** leave valuables in your car and in plain site. You can call GTPD at 609-652-3705 to see if your car qualifies for a steering wheel lock.

**This is a great time of year to check the batteries in your smoke and carbon monoxide detectors.**
