

PRESENTS WITH A PURPOSE PROGRAM

FORMERLY KNOWN AS ADOPT A MOM PROGRAM

For many Healthy Start families in our county, the holidays are a time of heartbreak as they struggle to provide a nice holiday season for their families.

Sponsoring a family this holiday season will help ease that burden and provide a memorable and stress free moment the family will remember!

How to Participate:

- *Fill out the contract** (including the number of people in the family you would like to sponsor, unborn baby counts as 1 member)
- *Get your family information** via email
- *Start Shopping** (at least 1 gift for each family member, and one \$50 gift card per family for warm meal)
- *Contact Jessica to schedule pick up/delivery of unwrapped items**
- *Don't forget the gift card for the warm meal (food items not accepted)***
