INT. APARTMENT - EVENING

The MICROWAVE spins a TV DINNER to the sound of feel-good synth-pop.

Dudley walks through the door with a BACKPACK and makes his way into the bedroom, while his girlfriend ALICIA makes dinner in the kitchen.

DUDLEY  
Hey babe! Smells good!

ALICIA  
Oh, hey!

He sets down the backpack against the wall and puts his phone and wallet on the nightstand.

Alicia comes into the living room and presses pause on the music coming from her PHONE.

He kicks off his shoes, unbuckles his belt, and quickly tears off his pants.

He crumples them into a ball and shoots them into his HAMPER.

Alicia peers into the bedroom.

ALICIA (CONT'D)  
Did you see a dog out there?

DUDLEY  
A dog? No.

ALICIA  
Ah, well keep an eye out. Miss Carver lost her dog earlier.

DUDLEY  
He'll come back.

ALICIA  
Do you want lasagna or turkey and gravy?

DUDLEY  
Oooh.

Dudley thinks for a moment while he slips on a new shirt.

DUDLEY (CONT'D)  
You stumped me, babe. Go ahead and choose.
