INT. GREENSCREEN ADVERTISEMENT

Tammy rides into frame on a green-screened dolphin.

TAMMY

You won't believe what I have in store for you, Rich Bitches! I'm coming to you live with major party vibes! The street is a dance floor every night in a random city every week. And surprise, Bernalillo! I'm playing a pop-up show this Friday night! Here's the addy, and tickets are on sale now! Tooodle-oo!

(beat)
