

THAT DANCE THING PRESENTS

THE TDT TIMES

A monthly newsletter keeping you in the dance circle

Thank you to those
who attended TDT
Lite over the
summer!

Welcome to the group!

Whether you are a new member or are a TDT veteran, we are glad you are here. This newsletter will help keep our stream of information all in one place. Here we will share upcoming events and pertinent information about theme nights, registration, and TDT highlights. This will not replace, good old-fashioned email communication but can be used as an electronic resource going forward. Find all editions under the "newsletter" tab on our website

*Cheers,
Haley*

In Search Of- Decorating Committee

It takes a team to prepare for our Christmas and Spring balls. We are very grateful to Lindsey Baird who designs and executes our ball decorations. If you are willing and able to participate in the group of TDT parents who help plan and set up ball decorations, please let us know and we will add you to the committee.

Leadership Highlight - Christopher // Intro Class

This year marks Christopher's 6th year at TDT. In that time, he has come to love Swing and says it is "hands down" his favorite dance. Particularly, he likes doing the Lindy Turn.

A student at VCU studying biomedical engineering, he is also a licensed pharmacy tech at CVS. Not only can he teach you to dance but he can give you a flu shot! In his free time, he likes to rock climb, dance and code. We owe it to Christopher for designing and coding our online registration program. Quite the undertaking! Be sure to say hello to him next TDT.
