1 INDUSTRIAL DEGREASERS & ALL PURPOSE CLEANERS		
100	VIGOR	Butyl Heavy Duty Hard Surface Cleaner Degreaser All purpose, butyl type high alkaline hard surface cleaner degreaser. Specially formulated to penetrate and remove the heaviest buildup of grease and soil from any surface. Economical formula is used to clean walls and floors. Concrete surfaces, ink, vinyl leather remove wax. etc. (USDA registered)
110	VIGOR SUPER	Heavy Duty Degreaser with 18% Butyl A super butyl type degreaser. The same as #100 with 18% butyl type solvent for extra difficult grease and grime areas. (USDA registered)
115	VIGOR M	Butyl "type" All Purpose Cleaner Non Corrosive A concentrated all purpose hard surface cleaner. Inhibited against soft metal attack. Less harsh to hands and skin than caustic degreasers. Strong and effective. Cleans floors, walls, kitchens, concrete, tank degreasing bathrooms, showers metal parts and engines, floor cleaner, stripper etc. (USDA registered)
125	VIGOR M SUPER	Highest active all purpose 18% butyl replacement A super butyl type concentrates of product #115. Use on difficult grease and grime areas. Heavy machinery, greasy floors, kitchen filter hoods. etc. (USDA registered)
127	CITRUS DEGREASER "O"	Non Butyl Citrus All Purpose with builders for excellent cleaning & deodorizing A high solids, cleaner and degreaser with the added cleaning power and the freshness of natural orange solvents. Degreaser "O" is water dilutable and will instantly dissolve greasy oily soils and wash dirt away. Great on cement floors, equipment, break dust, virtually anywhere dirt and grease is a problem. May be used by hand or with a high pressure machine.
128	OIL EATER NON-SOLVENT	Water based emulsifier/All purpose This is a non butyl non solvent concentrated all purpose cleaner deodorizer. Designed to emulsify and disperse soil, grease, oil and grime. An environmentally safe cleaner for use on oily areas. Use with pressure wash for trucks and other oily surfaces.(USDA REGISTERED)
129	ULTRASONIC	All Purpose Cleaner This product is an all purpose cleaner that is specifically designed to be used in ultrasonic cleaners. Use 2 to 4 ounces per gallon of water to effectively clean soils and remove oil and dirt from surfaces in ultrasonic baths.
130	POWER SOAP	High Alkaline, Free Caustic Heavy Duty Heavy Duty high alkaline degreaser with 10% free alkali. Use only where excess alkalinity is required. Formulated to saturate and lift greasy particles away from surface and rinse clean. USDA registered
135	2020 HI FOAMING	Multi Purpose Mile pH No phosphates Hi foaming USDA approved multi purpose butyl type cleaner. This formula has a high concentration of biodegradable detergents. Mild to hands. Use for general maintenance and vehicle cleaning. Low alkalinity. USDA registered
140	PINK NEUTRAL	All purpose A mild viscous cleaner pleasantly lemon scented. The perfect product for cleaning and maintaining

		finished floors. Does not harm finish or effect surface gloss. Excellent mild general purpose cleaner with controlled sudsing. Used for marble, wood, linoleum, finished floors, and water safe surfaces. USDA reg.
146	SPRING MINT	Neutral All purpose A mild neutral cleaner, deodorizer. A controlled foaming neutral cleaner with fresh scents. Concentrated product for economical cleaning for finished floors and other hard surfaces.
750	SPEED R.T.U.	Ready to use all purpose butyl cleaner Ready to use butyl cleaner. Spray on and wipe off. Powerful product removes dirt, grease, crayon, ink and other soils without leaving any residue.
842	PINE SCRUB SOAP	Natural oil soap fortified with pine oil and surfactants for the most effective cleaning and deodorizing. Floors may be buffed after applying.
1010	Bio-Kleen	Non Phosphate Biodegradable Cleaner Degreaser Concentrated cleaner for hard surfaces and oil residues. Can be used to clean and degrease any hard surface. Metal, Concrete, Walls, Floors, Equipment etc. Made with "readily biodegradable" surfactants that comply with the epa guidelines.
1145	PINE ECONOMY ALL PURPOSE	Light duty cleaner with cleaning power and deodorizing of pine oil . Dilute with water and use to wipe down water safe surfaces like walls and floors while leaving a light pine odor.
POWDERS		
024	CONCRETE POWDER CLEANER	Formulated with a powerful bang of grease dissolving pine oil and soil removing surfactants. Can be diluted with water and used with a mop or sprayer, or sprinkle on cement, wet surface and agitate.
126	POWDERED BUTYL CLEANER	All purpose hard surface A multi purpose powdered cleaner. Orange powder that turns light green when mixed with water. Use on all types of machinery, walls, floors, and ventilator screens. Removes grease, oil, inks, carbon, and soil from all water safe surfaces. Contains NO free alkali. Safe on aluminum.
1268	SUPER CITRUS POWDER SUPER	Powdered degreaser with a high concentration of oil and dirt dissolving emulsifiers. Uses natural citrus solvents to offer excellent degreasing and deodorizing. Use for concrete cleaning, hard surface cleaning, and soak tank cleaning. The powder is orange in color and becomes a light green solution when mixed with water.
1269	BIO-KLEEN	Non phosphate readily biodegradable cleaner. A high concentration all purpose cleaner for any hard surface. Environmentally responsible as this formula contains only "readily" biodegradable detergent blend. It does not contain phosphates, VOC, or NPE. California Prop 65 compliant.

2 KITCHEN PRODUCTS		
132	OVEN & GRILL CLEANER	This high alkaline thick oven cleaner offers positive removal of baked on grease and burnt carbon. This gel formula clings to vertical surfaces. Brush or wipe on let stand. Then rinse. Use On Ovens, Grills. Fryers Stoves. Waffle Irons. etc. USDA registered
133	OVEN & GRILL CLEANER	High Caustic Liquid A liquid Oven and Grill cleaner. This product has free alkali and sequestering agents that remove grease and burnt on carbon. Fast acting formula is sprayed on surfaces and wiped or rinsed off. USDA registered
148	CARB-OFF	Alkaline carbon remover & meat room degreaser Alkalkine degreaser designed specifically to remove burnt on carbon heavy grease and oil from resaturants, food establishments and food processing facilities.
182	POT & PAN CLEANER	High Sudsing Super sudsing concentrated cleaner for the most economical cleaning. Extra mild ph balanced, high foaming free rinsing formula. Soak pots and pans to remove stubborn grime; gentle enough to use on glassware or flatware.
184	DYNAMITE MACHINE DISH	Industrial Machine Dishwashing Liquid Quickly and effectively removes food soils from dishes and utensils in automatic equipment. High concentration is generally applied with automatic equipment at low levels. Economical and easy to use.
202	RINSE AID	Low temperature rinse aid Leaves dishes spot free. Invisible film repels water for quick rinsing without leaving any water spots or residue. Makes water rinse off surfaces faster making them dry quicker and spot free.
204	BAKER PAN CLEAN	Concentrated liquid designed to clean heavy soils from bakery pans. Designed to be used in automatic or mechanical system
240	FREEZER CLEANER	Ready to use freezer cleaner, no residue. Wipe on wipe off formula for effective cleaning in sub zero temperature. Glycol free formula
240N	FREEZER CLEANER	Ready to use Flammable liquid for Very Low Temp. Use for extremely low temperatures or where a longer dwell time is required for heavy duty cleaning or scrubbing equipment.
393	LIME & SCALE	Removes scale & lime from dishwashers & other surfaces Highly concentrated product used to descale and delime surfaces such as dishwashers and glassware. Revolutionary product uses mild non-phosphate acids to dissolve scale and lime. Use at 1:30 with water.
414	STAINLESS STEEL	Citrus Scent Oil Based polish removes grease oil and smudges. Light oil for cleaning and shining stainless and aluminum. Spray on rag or surface and wipe with clean soft rag. Removes oils and fingerprints, leaves long lasting shine. Naturally citrus scented.
820	SANITIZER	Quaternary ammonium compound 10%. Designed for economy, this product is used at only 1oz to 3.5 gal. Water to effectively sanitize non-porous surfaces, such as cooking utensils and glassware.
POWDERS		
041	HAND DISH WASH	Easily dissolves in water for soaking dishes, glass and flatware for easy soil and grease removal. High foaming formula.
P148	CARB OFF POWDER	Designed to save space and water... this is a highly alkaline powder designed for hood cleaning, oven cleaning and Alkaline carbon remover & meat room degreaser . Packed 12 x 1 pound jars per case, makes this easy to use and carry.

3 BATHROOM		
192	Non Acid Tile Grout & Bathroom	Concentrated cleaner specially designed to remove soap scum and mineral deposits found in bathrooms and on tile surfaces. This product is non acidic for maximum safety. Leaves surfaces sparkling clean and fresh smelling.
273	BOWL CLEANER	Non acid Bowl Cleaner: Ready to use in squirt top bottles. Cleans and Deodorizes with a great scent and odor control. Removes dirt, soil,
640	PORTABLE TOILET DEODORANT	Highly concentrated formula has a 1-2-3 punch. Dark Blue Color covers any and all material from sight. Strong but pleasant odor control for immediate relief. Odor Control technology to control odors at the source. Use for any portable toilet such as those found on camp grounds, in RV's. Boats and airplanes. Use up to 1:150
1301	ZING BOWL CLEANER	Non corrosive acid replacement for heavy duty cleaning to remove scale, rust, water line and keep porcelain sparkling clean. Great for tubs and tiles with heavy buildup or to remove soap scum and scale.
1302	SAFE ACID	RTU: Ready to use high performance bathroom & kitchen replacement cleaner. Safely removes scale, lime, uric acid, water lines and rust from bathroom surfaces.

4 HAND CLEANER		
163	LOTION HAND SOAP	Thick, pearlized lotion soap with lavender scent. Leaves hands clean without drying skin.
163F	FOAMING HAND SOAP	PREMIUM foaming hand soap designed to be used as is with foaming dispenser. Leaves hands clean and soft with a natural fragrance.
458	CITRA- HC	Waterless citrus hand cleaner (6X1) BOX With 2 dispensers Citrus mechanics hand cleaner. Contains emollient to condition skin while removing tough grease & grime.
563	MEDICATED HAND SOAP	Antimicrobial hand soap with clean scent. Clean and condition hands and leave them germ free.
564	FOAMING HAND SANITIZER.	Alcohol Free - Kills 99.99% of most common germs that may cause illness including E. Coli and MRSA NSF E3 Approved for Food Handlers. Leaves hands feeling conditioned with a pleasant fragrance. Must be used with a foaming dispenser. Supplied in bulk to re-fill dispensers or available in 8 oz foaming dispenser bottles
565	HAND SANITIZER GEL	Alcohol type instantly kills 99.99% of most common germs. With skin conditioners to leave hands soft without any sticky feel. Has a mild pleasant fragrance.
POWDERS		
168	POWDERED HAND SOAP	Borax based soap combination for superior cleaning without drying or chaffing hands.

5 GLASS CLEANERS		
179	GLASS CLEANER CONCENTRATE	Dilutable up to 1:20 with water. This ammoniated glass cleaner is designed for industrial glass cleaning. Wipes away dirt, grease, grime, fingerprints and film quickly and easily.
181	GLASS & SURFACE RTU	Streak free ready to use product Glass Cleaner...Ready to use glass and surface cleaner. Manufactured from treated and filtered water for streak free sparkling clean surfaces.
181v	VINEGAR GLASS:	Formulated from vinegar and naturally derived surfactants. Designed to quickly dissolve film, smears, and fingerprints from all glass surfaces... Including windows, showcases, and windshields. Also deposits a lustrous but invisible coating that resists re-soiling, smearing and fingerprints. Also used to clean stainless steel, formica and many hard surfaces.
Ds28	GLASS 60	Designed to use with our dilution station. Automatically dilutes 1 :60. Eliminates mixing and waste. Ultra concentrate saves storage space, freight charges, and fuel. Cleans windshields, windows, glass cases and other hard surfaces. Cleans dirt, dust, grease and fingerprints without leaving spots or residue.

6 LAUNDRY PRODUCTS		
035	STORM: LAUNDRY DETERGENT	An ultra concentrated liquid detergent similar to our 037 laundry detergent with additional alkaline builders and optical brighteners for heavier duty applications. It will leave fabrics bright, clean and fresh smelling.
036	FABRIC SOFTENER.	Fresh scented and long lasting fabric softener
037	LAUNDRY DETERG	Liquid laundry detergent for standard or high efficiency washing machines. Works in hot or cold water. Leaves clothes smelling clean with renewed brightness.
3217	ENERGIZER: Bleach Replacement	Replaces hazardous chlorine bleach with a safer and milder alternative. Erases tough organic stains from hard surfaces. Effective for carpet spotting deodorizing, laundry stains, mold and deck cleaning. Boosts many cleaning and laundry products.
	POWDERS	
029	LAUNDRY POWDER	Premium powder with optical brightener and enzymes.
023	ECONOMY LAUNDRY	Economy version of 029 without phosphates

7 CITRUS AND CITRUS/SOY CLEANER AND DEGREASER		
	7A: CITRUS	
127	 CITRUS DEGREASER "O"	All Purpose with builders for excellent cleaning & deodorizing. A high solids, cleaner and degreaser with the added cleaning power and the freshness of natural orange solvents. Degrease "O" is water dilutable and will instantly dissolve greasy, oily soils and wash dirt away. May be used by hand or with a high pressure machine.
127L	 AUTO-SCRUB CITRUS	Citrus degreaser #127 with a system that controls foam. This product is an excellent choice for floor scrubbers to clean oil, grease, dirt, rubber marks and tracks while leaving a fresh citrus scent
4450	 ORANGE NATURAL 20	Natural Citrus all purpose cleaner A natural water dilutable citrus product that derives its strength from citrus extracts and biodegradable surfactants. This orange based formula removes black heel marks, tar, gum asphalt stains carpet stains, scuff marks, ink, oil, grease and a variety of other difficult soils from ceramic, formica, glass, vinyl, tile, and concrete. Use straight for solvent like degreasing action. Heavy soils use 15-20 oz. Gallon. Light soils use 4-5 oz per gallon.
4501	 ORANGE PLUS 80	Water dilutable solvent degreaser A strong degreaser or concentrated water based cleaner/deodorizer. 80% active product that derives its power from the solvents extracted from orange peels formulated with a high concentration of biodegradable surfactants. #4501 forms clear microemulsion when mixed with water. These products contain no chlorinated solvents or harsh chemicals and are not corrosive. The natural product will clean and deodorize in one step. Use for all purpose degreasing tar and asphalt removes, tire mark removal, tile & tub cleaner, spot removal, and many other tough cleaning jobs. Use this product where a tough solvent is needed and environmentally safe products are demanded.
4511	 ORANGE PLUS 100	Super strength natural solvent degreaser A super concentrated solvent degreaser/cleaner/deodorizer. 100% active product that derives its power from the solvents extracted from orange peels formulated with a high concentration of biodegradable surfactants. #4511 forms a stable white emulsion when mixed with water. This product does not contain chlorinated solvents or harsh chemicals and is not corrosive. The natural product will clean and deodorize in one step. Use for all purpose degreasing tar and asphalt removes, tire mark removal, tile & tub cleaner, spot removal, and many other tough cleaning jobs. Use this product where a tough solvent is needed and environmentally safe products are demanded.
4516	 CITRA-WASH	Natural water miscible blanket & roller wash A super concentrated solvent degreaser. 100% active product that dissolves and removes most soy and oil based ink. Derives its power from the solvents extracted from orange peels formulated with a high concentration of biodegradable surfactants designed specifically to emulsify even difficult ink. Mix 1 part 4516 with up to 6 parts water to form a stable white emulsion. Does not contain chlorinated solvents or harsh chemicals and is not corrosive. Use this product where a tough solvent is needed and environmentally safe products are demanded.
4409	 Citra-Jell	Natural jell citrus degreaser The right jell degreaser for any surface, including the undersides of any and all equipment. Emulsifies grease, tar, asphalt, and bitumen from everything including painted surfaces, metal, concrete, brick and stone. Will not harm original surface. Use this biodegradable product in place of petroleum and other hazardous chemicals. Citra-jell can even be diluted 1:50 with water for general purpose cleaning and deodorizing.

7A:		7A: CITRUS continued
4531 	CITRUS D-GREAZE Degreasing operations.	Natural waterless cold degreaser A unique, NATURAL, cold solvent, degreaser and deodorizer contains a natural organic citrus solvent derived from orange peels. This solvent is designed to remove dirt, grease, oil and grime from metallic and non-metallic surfaces. Cleaning is quick and simple without the danger or injury to working parts. Ideally suited for use on electric motors, electronic equipment, ignition systems, generators, power tools, etc. Also used on air conditioning. Refrigeration and all types of mechanical equipment. It is a highly effective waterless cleaner with high solvency and low toxicity designed for use in all types of industrial
458 	CITRA-HC	Waterless citrus hand cleaner Citrus mechanics hand cleaner. Contains emollients to condition skin while removing tough grease and grime.
459	CITRU-SOLVER:	Water miscible solvent/citrus blend Emulsifiable degreaser...This product is a solvent degreaser. Dilute with water, kerosene, inexpensive solvent. It is designed to be a low cost but effective emulsifiable degreaser without the traditional solvent odors. The citrus solvent makes this more effective, easier to use and more marketable than traditional emulsifiable degreasers.
965	CITRA-GRIT	6x5 pound cans waterless hand cleaner Thick gel with grit for heavy grease and dirt cleaning. Contains emollients that leave skin feeling soft.
	POWDER	
1268	CITRUS POWDER	SUPER All purpose with natural citrus Water dilute powder designed to clean any hard surface. Formulated with builders and emulsifiers to quickly dissolve dirt grease and grime. Uses citrus solvents for extra grease cutting and odor control.

7b		NATURAL SOLVENT CLEANER & DEGREASER (CITRUS/HYBRID/ VEGETABLE)
4050 	NATURAL DEGREASER 80:	A strong degreaser or concentrated water based cleaner/deodorizer. 80% active product that derives its power from the solvents extracted from vegetable sources and ORANGE PEELS formulated with a high concentration of biodegradable surfactants. #4050 forms a microemulsion when mixed with water. These products contain no chlorinated solvents or harsh chemicals and are not corrosive. The natural product will clean and deodorize in one step. Use for all purpose degreasing tar and asphalt removes, tire mark removal, tile & tub cleaner, spot removal, and many other tough cleaning jobs. Use this product where a tough solvent is needed and environmentally safe products are demanded
4101 	NATURAL DEGREASER 100:	A naturally derived blend of citrus and plant based solvents create a super concentrated solvent degreaser/cleaner/deodorizer. 100% active product that derives its power from the solvents extracted from plants and orange peels along with super effective and biodegradable surfactants. #4051 forms a stable white emulsion when mixed with water. These products contain no chlorinated solvents or harsh chemicals and is not corrosive. The natural product will clean and deodorize in one step. Use for all purpose degreasing tar and asphalt removes, tire mark removal, tile & tub cleaner, spot removal, and many other tough cleaning jobs. Use this product where a tough solvent is needed and environmentally safe products are demanded.
4202 	SOYMULSION 100:	Naturally derived plant derived solvent makes an extremely strong, yet environmentally friendly alternative to petroleum and citrus terpenes. This super strong solvent has zero VOC and no flash point to boil. It will evaporate slowly or rinse with water. Designed for tough degreasing, tar removal or anywhere a petroleum solvent would be used. Use straight and rinse with water, or dilute with water and clean for more economical use.

8 SEWER PRODUCTS		
8a	Citrus based	
4450 	ORANGE NATURAL 20	A natural water dilutable citrus product that derives its strength from citrus extracts and biodegradable surfactants. This orange based formula dissolves light grease and other waste from sewer, grease traps and lift stations. Naturally leaves citrus scent. Use straight for solvent like degreasing action. Heavy soils use 15-20 oz. Gallon. Light soils use 4-5 oz per gallon.
4500 	ORANGE GREASE DIGESTER 80	Water dilutable sewer, grease, & lift station cleaner 80% active super citrus degreasers for the quick acting natural degreasing. Can be diluted with water for degreasing or odor control. Use by drip or pouring in drains and grease traps to clean and de-clog. Forms a stable microemulsion when mixed with water. Can safely be used for maintenance of grease traps and drains to prevent build up. Removes, grease, tar, ink, decals, grime, dirt etc. Use on tools, equipment, cables. tire marks, lift stations. 4500 will dilute almost clear with water.
*4510 	ORANGE GREASE DIGESTER 100 with water.	Super strength miscible sewer, grease, & lift station cleaner 100% natural super citrus degreasers for the quickest acting natural degreasing. Can be diluted with water for degreasing or odor control. Use by drip or pouring in drains and grease traps to clean and de-clog. 4510 forms white emulsion when mixed with water. These products can safely be used for maintenance of grease traps and drains to prevent build up. Removes, grease, tar, ink, decals, grime, dirt etc. Use on tools, equipment, cables. tire marks, lift stations. Note,#451 can be made non emulsifiable for floating lift station degreaser if requested. 4510 forms a milky stable emulsion when mixed
4530 	CITRA-LIFT	: Natural floating lift station degreaser & deod. 100% Natural floating degreaser. Designed specifically for cleaning lift stations and controlling odors. step 1: Quickly forms an odor barrier by floating and capping lift station. Step2: Creates a pleasant smelling citrus environment. Step 3: Quickly saponifies grease and organic obstructions. A revolutionary, safe formula that floats up and down with the rise and fall of the station platform keeping the sides of ft station clean. CITRA-LIFT cleans off soil, dissolves grease and oil, softens solid waste and eliminates objectionable odors

8b CITRUS HYBRID AND PLANT BASED SOLVENTS		
4050 	NATURAL GREASE DIGEST 80	Plant/CITRUS GREASE DIGESTER 80 Water dilutable sewer, grease, & lift station cleaner 80% active super SOY/CITRUS extract degreaser for the quick acting natural degreasing. Can be diluted with water for degreasing or odor control. Use by drip or pouring in drains and grease traps to clean and de-clog. Forms a stable microemulsion when mixed with water. Can safely be used for maintenance of grease traps and drains to prevent build up. Removes, grease, tar, ink, decals, grime, dirt etc.
4100 	NATURAL GREASE DIGEST 100	Plant/CITRUS GREASE DIGESTER 100 Super strength miscible sewer, grease, & lift station cleaner 100% natural super SOY/CITRUS degreasers for the quickest acting natural degreasing. Can be diluted with water for degreasing or odor control. Use by drip or pouring in drains and grease traps to clean and de-clog. Use for environmental preferable as this product has lower voc then petroleum or terpene based solvents, it is non petroleum (renewable resources) and a higher open cup flash point. 4510 forms white emulsion when mixed with water. These products can safely be used for maintenance of grease traps and drains to prevent build up. Removes, grease, tar, ink, decals, grime, dirt etc.
4202 	Soy Solv Emuls	: 100% Plant and vegetable based: Super strength miscible sewer, grease, & lift station cleaner 100% natural super SOY degreasers for the quickest acting natural degreasing. Use by drip or pouring in drains and grease traps to clean and de-clog. Use for environmental preferable as this product has lower voc then petroleum or terpene based solvents, it is non petroleum (renewable resources) and a higher open cup flash point. 4510 forms white emulsion when mixed with water. These products can safely be used for maintenance of grease traps and drains to prevent build up. Removes, grease, tar, ink, decals, grime, dirt etc.
4203 	SOYSOLV FLOAT	: Naturally derived floating degreaser. Designed specifically for cleaning lift stations and controlling odors. step 1: Quickly forms an odor barrier by floating and capping lift station. Step2: Creates a pleasant smelling citrus environment. Step 3: Quickly saponifies grease and organic obstructions. A revolutionary, safe formula that floats up and down with the rise and fall of the station platform keeping the sides of ft station clean. SOYSOLV FLOAT cleans off soil, dissolves grease and oil, softens solid waste and eliminates objectionable odors. Benefits: High flash point – zero voc – Non petroleum or terpene – Long lasting.

8 SEWER/LIFT STATION miscellaneous

174	SAND & SILT REMOVER	Breaks Up & disperses deposits A suspension of high molecular weight polymer that is used to break up deposits of mud silt and dirt and put them in solution.
370	TRACER DYE	Flourescent liquid concentrated dye for easy to trace pipe systems. 1 gallon of tracing dye makes between 250 and 500 gallons ready to use tracing solution. Available in custom colors.
619L	ALKALINE LIFT STATION DEG	Strong alkali quickly dissolves grease buildup in water systems and along walls.
665	SEWER SWEETNERS – SEE ODOR CONTROL	

9 STEAM CLEANER/PRESSURE WASH

500	STEAM CLEANER	General Purpose A general purpose heavy duty formula. For use in steam cleaning equipment. Will not clog pipes or hoses or corrode machinery. Cleans all surfaces including aluminum and painted surfaces. Highly concentrated for maximum economy. Use on heavy machinery and machinery parts, mechanical equipment, general maintenance or vehicle chassis, industrial concrete floors, etc. Use approximately 2 to 6 oz. per gL of water
503	STEAM CLEANER HEAVY	DUTY High alkaline heavy duty A heavy duty all purpose heavy duty formula. For use in steam cleaning equipment. Formulated with extra alkali for heavier duty jobs. Not for use on aluminum. Use on heavy machinery and machinery parts, mechanical equipment, general maintenance or vehicle chassis, industrial concrete floors, etc. Use approximately 2 to 6 oz. of liquid per gallon of water to clean most articles.
508	PRIME	EXTRA HEAVY DUTY (5TH WHEEL CLEANER) The heaviest duty steam cleaner This formula has the highest concentration of detergents and free caustic, Designed to steam clean the greasiest surfaces even the fifth wheel on trailers.
520	HIGH PRESSURE DETERGENT	Safe, Versatile, formula Versatile concentrated formula designed specifically for use in Hi pressure machines. Safe, versatile. non caustic product for removing numerous oils from industrial, automotive and in-plant equipment
526 527	TRUCK & TRAILER	High Concentrate, Heavy duty pressure vehicle truck and bus wash. ... Heavy Duty premium vehicle pressure wash. Use to remove soot and stains from buses, trucks and other vehicles. Dilute up to 100 to 1 with water. Leaves no film and does not dull finish.
POWDERS (See all purpose Cleaners also)		
027	STEAM CLEANER	Great product for steam or pressure washing equipment. Will not clog machine.

10 AUTOMOTIVE PRODUCTS

131	WHITE WALL TIRE	All purpose, butyl type high alkaline cleaner degreaser. Specially formulated to penetrate and remove dirt and stains from white walls on rubber and synthetic tires.
141	BUS & TRUCK WASH	Detergents and solvent to remove soot, tar, & grime on vehicles A concentrated blend of mild alkaline detergents and synthetic wetting agents to effectively clean vehicle surfaces. Requires minimum agitation of the surface and is free rinsing. Brush and Bucket application. Use on buses, trucks, trailers, planes. etc..
A127	RIM CLEANER HD	Use to pre-wash rims or vehicles before going through car wash. Removes break dust, dirt and grime.
175	WASH & WAX -	Cleans & Leaves Lustre w/o Leaving Film Mild high foaming automobile and vehicle wash with wax to wash away dirt and rinse free. Leaves lustre without leaving film. Dilute 1 to 4 oz/per gallon

AUTOMOTIVE PRODUCTS continued

180	CONCENTRATED AUTO WASH	Concentrated to penetrate This car wash is a blend of emulsifying agents and detergents. Emulsifies dirt and road film rapidly. It is a high sudsing and free rinsing concentrate. The non streaking formula is used manually and is mild to hands.
186	WINDSHIELD ANTI-FREEZE-	Windshield cleaner/antifreeze Concentrated methyl alcohol based cleaner. Dilutable formula for use in summer and winter. Keeps reservoirs and spray from freezing and effectively cleans windshields from road dirt and soils without streaking. Quick drying.
186R	WINDSHIELD WASHER R.T.U.	Ready to use methyl alcohol based cleaner. Use in summer and winter. Keeps reservoirs and spray from freezing and effectively cleans windshields from road dirt and soils without streaking. Quick drying
400	EMULSIFIABLE ENGINE DEGREASER	A solvent/ water emulsifiable solvent degreaser product Removes and solubilizes oils and grease from all surfaces. Heavy duty degreaser motor cleaner, and garage floor cleaner. May be used full strength or diluted 1:6 with cheaper solvent. Non-caustic, cleans by emulsion. Flush with water under pressure
416	SNOW PLOW WAX	Leaves an invisible non stick shield on snow plow
441	PROTECT "CPR"	Vinyl, Rubber protectant & rejuvenator White water emulsion formulation brings life back into dull rubber tires, vinyl tops, canvas, awnings and other surfaces. This product makes surfaces water proof to withstand multiple washings. Contains anti-stat to resist dirt, dust, and breakdust. Concentrated and long lasting
442	TOTAL LOOKER	Premium solvent tire dressing A premium blue solvent to complete a total detail for auto tires and vinyl component surfaces. This is a one step product that does the work for you. Total looker gives a high gloss and deep coating in one easy step. VOC compliant
541	TIRE SHINE GEL	Water based system that goes on with a paint brush and works like a solvent. Leaves a high gloss look that is water resistant and will last and last. Non voc
	POWDERS	
026	TRUCK WASH HD.	Fast dissolving heavy duty. Non phosphate cleaner that quickly dissolves in hot or cold water. Apply with brush bucket or pressure washer. Rinses clean.
032	CAR WASH	Mild foaming automobile wash. Gentle and concentrated powdered product offers an effective automotive cleaner that will not adversely affect the gloss of finish of painted surfaces or glass. Use only 1 - 2 oz per gallon of cold water

11 FUEL ADDITIVE & TREATMENT

185	DRY GAS	Cleans Engines & Prevents Gas Line Freeze Cleans engines and prevents gas lines from freezing
420	FUEL OIL ADDITIVE	Removes Soot Sludge etc Effectively dissolves accumulated sludge formation, eliminates rust and corrosion and disperses moisture and any other insoluble material that clogs untreated systems. Increases the lubricity of fuel. This clean, free flowing oil passes through nozzles, strainers and burners easily and uniformly resulting in more complete combustion, better fuel efficiency, reduced maintenance costs and longer equipment life
421	DIESEL ADDITIVE -	Complete fuel oil treatment 1:1000 Assures safe, economical combustion of fuel at the lowest possible cost. Dissolves and prevents sludge, absorbs moisture, inhibits rust and keeps the system clean. Contains lubricity agents for todays low sulfur fuels.
4421	DIESEL FUEL WINTE TREAT	Winter total treatment All purpose fuel additive for diesel or heating fuel. Unique product has all the features of #421 with the added feature of lowering the pour point of fuel for cold weather conditions. Use at 1: 000 up to 1:4000 gallons of fuel.
4422	ULTRA MULTI FUNCTION	Total diesel fuel conditioner with the most cetane boose and additives available. Faster starts, increased cetane, rust protection, reduction of existing gum and varnish, lubricity and water dispersancy. Use 1:1000 to correct problems or for difficult conditions or fuel up to 1:3000 for light maintenance.
4426	FLOW MAX WF-EXTREME	Total Diesel Fuel Conditioner. With more polymer Cold Flow improver and increased additives for a cleaner engine. Improved lubricity agents and cetane boost. Use level 1:1000

12 ODOR CONTROL

6301	Enzip	Ready-to-use cleaner and deodorizer. Removes organic odors and stains through bacterial action. Contains detergents that loosen and remove soils. Eliminate unsightly organic stains and foul odors (such as pet urine and blood)at their source. Also use as Laundry spotter and carpet detergent. is also effective in drains as a preventative maintenance and odor control measure.
637	BERRY ENHANCE	Super BERRY SCENTED: Powerful odor control knocks out the harshest of odors,or can be used just to create a pleasantly scented environment. This strong liquid is so economical to use only spray to get long lasting and powerful results. Super water based berry odor control in easy to use pint bottles but can be diluted with water and added to most cleaning solutions to add odor control to the cleaning solution.
638	CITRUS ENHANCE	Super CITRUS SCENTED: Powerful odor control knocks out the harshest of odors,or can be used just to create a pleasantly scented environment. This strong liquid is so economical to use only spray to get long lasting and powerful results. Super water based berry odor control in easy to use pint bottles but can be diluted with water and added to most cleaning solutions to add odor control to the cleaning solution.

ODOR CONTROL – continued

645-657-668	Water based concentrates REODORANT CONCENTRATE.	A long lasting concentrated formula designed to mask odors with a powerful smell of orange, cherry or lemon. Use to create a more pleasant smelling environment wherever undesirable odors are present or where a pleasant fresh odor is desired. This is very concentrated and made to be sprayed around rooms, dripped in to smelly areas, or added to detergents, mop water, or steam extractors to leave a pleasant odor while cleaning. Other fragrances available Spring Mint, Peach, Apple, Pine and Baby Powder, Grape)
667	ODOR ELIMINATOR –	Destroys undesirable odors without residual perfumes. This unique concentrate will eliminate any and all odors safely. ODOR ELIMINATOR will neutralize, not mask odors, by chemically bonding with odor carrying molecules. When sprayed ODOR ELIMINATOR has a light lemon scent designed to briefly mask odors while the product works to eliminate odors. After a few seconds the lemon odor will be gone along with any undesirable odors. Apply by or spray, as a surface spray. or on airborne odors. Use in filters. Use anywhere undesirable odors are to be eliminated and not replaced with another scent. Garbage dumpsters in restaurants, morgues, kennels, disposals. etc. Add to mop water to clean and eliminate odors.
669	AH-BREEZE –	ODOR ELIMINATOR / ODOR CONTROL: A ready to use formula of our 667 odor eliminating technology in conjunction with a super breeze odor control to create a pleasant environment while eliminating underlying and unwanted odors. Can be used on any water safe surface including fabric, rugs, garbage and pet areas.
See also emergency powder and		
TM	TIMED SPRAY AIR DEODORIZER	OZ can of aerosol spray room freshener. Fits in standard unit and can be set to spray a fine mist at given time intervals. Lasts a long time. Available in: Cherry, Lemon, Mango, Cinnamon and other fragrances. *Use with time missing dispenser.

13 FLOOR CARE Cleaning / Maintenance / Absorbent		
038	RAMP SCRUBBER	Water dilutable concentrate. Thick liquid scrubbing machine solution. Designed with a special emulsifier to clean and remove deposits on airport ramps, garage floors and other difficult to clean areas.
040 *agds	TOP SHIELD	A cleaner and a protective floor cleaner/maintainer that can be used in an auto scrubber or simply mopped on. Leaves a protective film that protects underlying finish. Reduces the need for stripping or re-coat. Safe on all hard floor surfaces. Meets all requirements of the clean water act.
140	NEUTRAL CLEANER	Lemon scent Neutral general purpose A mild viscous cleaner pleasantly lemon scented. The perfect product for cleaning and maintaining finished floors. Does not harm finish or effect surface gloss. Excellent mild general purpose cleaner with controlled sudsing. Used for marble, wood, linoleum, finished floors, and water safe surfaces. USDA reg.
146	SPRING KLEEN APC	Neutral Detergent/Spring scent A mild neutral cleaner, deodorizer. A controlled foaming neutral cleaner with fresh scents. Concentrated product for economical cleaning for finished floors and other hard surfaces
147	SCRUBBAMATIC	(LOW FOAM) Neutral low foaming cleaner for scrubbing machines
159	ANTI-STAT	Inhibits Static Build Up & Dissipates Charge Clear liquid used to inhibit static build-up and dissipate static charge. Use on floors and carpets. Great in winter
241	MARBLE FLOOR RESTORER	This product will return marble and stone floors to original sparkle and gleam. Revolutionary product lifts dirt and film to clean and condition floors. Designed to clean surfaces quickly and easily without leaving sticky residues.
242	MARBLE FLOOR MAINTAINER	Neutral cleaner for marble & stone. This product will maintain marble and stone floors. Revolutionary product lifts dirt and film to clean and condition floors. Will clean without leaving any dulling film behind.
246	REVITALIZE	Finish Restorer And Cleaner A must for all finish maintenance. Three products in one. Use straight for patching worn areas. Dilute 1 :1 to revitalize dull finishes, or dilute 1:2 parts water for spray buffing. Contains optical brighteners and leveling agents to add life to dull and worn finishes. Use of this product reduces stripping and saves labor and money.
248	SPRAY BUFF	Spray On & Buff To Bring Back Original Shine Spray buff is applied to floor and buffed with low or high speed machines. Makes dull or worn finishes shine like new.
270	DUST MOP TREATMENT(oil)	Cleans floors - leaves sheen Oil based dust mop treatment traps dust in air and on floors. Cleans and restores shine.
S270	SOYDUST	Naturally based DUST MOP TREATMENT: Natural Oil based dust mop treatment traps dust in air and on floors. Cleans and restores shine. Made with re-newable resources
POWDER		
194	SWEEPING COMPOUND	Green dry material for all hard floors. This wax coated product makes clean up fast and dust free. Saves time and labor. (Contains no sand)
195	OIL ABSORBANT	Inert clay is a dust free type absorbent. Absorbs oil or water based spill. Use on any spill for fast absorption, drying, and clean up. Use on any type of floor.
3195	PETRO SPONGE (OIL & WATER)	New bio based absorbent for oil (or water) made with microbes that help to remediate and eliminate petroleum residues from surfaces. Contains oil eating microorganisms. Naturally derived this can be burned or incinerated. Uses less material then clay based absorbents saving money and disposal costs.

14		FLOOR FINISH
GOOD LOOK #210 - 225		High gloss high speed buffable Acrylic emulsion polish. Offers long lasting, non slip shine. Water resistant scuff mark resistant and non yellowing. May be buffed or maintained with a mild neutral cleaner. #212 & #214 are good to patch and re-coat. #216 #218 and #220 are the standards for finishing freshly sealed or stripped floors. Use 25% for one time application.
#210	GOOD LOOK 10%	Contractors finish economy
#218	GOOD LOOK 18%	Great coverage and easy to apply. This is the work horse finish for any building, school or vinyl/asbestos floor
225	GOOD LOOK 25%	High solids mean less coats faster results. End result is a multi purpose wet look and durable finish
220B	BLACK BRITE -	Black polymer finish for black tile floors
DIAMOND FREE#237-239		Newest and our best finish. A true finish/sealer offers our highest and most durable gloss. Designed for heaviest traffic areas. New technology can be propane burnished or maintained with no buffing. Diamond shine has excellent adhesion for porous surfaces such as stone or terazzo. This characteristic makes #237 the best choice for stone or terazzo. California compliant. Does not contain any APE or Dibutyl Pthalate
237	DIAMOND BRITE	Medium Solids 18% hard finish with wet look. Most durable finish. Adheres to stone or concrete. Hi speed buffable daily
239	DIAMOND BRITE HIGH SOLIDS	Primium finish 22% solids Medium Solids 18% hard finish with wet look. Most durable finish. Adheres to stone or concrete. Hi speed buffable daily

15		FLOOR SEALERS & COATINGS (NON EPOXY)
#254 #256 #258	ACRYLIC SEALER:	Hi gloss polyacrylate emulsion undercoater. Seals floors and pre- pares them for finish. Use on terrazzo, linoleum, vinyl floors, etc. A very tough sealer for renovating and protecting many floor surfaces. Lasts through multiple stripping operations. Use prior to waxing floors. May also be used as a water based protectant and seal on concrete floors and structures. 254-14%, 256-16%, 258-18%
259	ACRYTHANE -	URATHANE FORTIFIED SEALER A urethane/acrylic blend for sealing concrete and stone. A tough acrylic sealer with the added adhesion and durability of urethane.
740	CLEAR COTE	Stone & Metal coating for waterproofing and beautifying: Excellent grafitti guard.
436	POLYURETHANE	62% Solids Solids Very Hard Hi Gloss A clear urethane finish and sealer for concrete, wood, gym floors, brick, stone, metal mosaic, and equipment. Use to protect and coat surfaces. Beautifies and elongates the life of wood surfaces. Material meets VOC requirements.
GRY1	GREY	URETHANE ENAMEL COATING Single part paint. High quality coating means fewer coats required for complete coverage and long term durability.
WHTP	WHITE	URETHANE ENAMEL COATING Single part titanium white coating for long term durability and excellent hiding.

Many colors available on request

16		STRIPPER
152	LOW ODOR STRIPPER	Designed to strip the toughest finishes without offensive odors. Designed for sensitive stripping operations such as hospitals or restaurants. Use 1:5 with water.
153	BLITZ - MOP ON	STRIPPER Mop on Mop off dilute 1:5 Strong stripper that removes all floor polishes including detergent resistant waxes and acrylics. This economical one-step stripper emulsifies the old finish and can be picked up with a wet vacuum
153S	BLITZ SUPER	Mop on Mop off. High solvent for fastest speed and effectiveness. Mop on Mop off dilute 1:5 Strong stripper that removes all floor polishes including detergent resistant waxes and acrylics. This economical one-step stripper emulsifies the old finish and can be picked up with a wet vacuum Extra strength for faster action
156	FLOOR STRIPPER	Non ammoniated Synthetic Stripper Effective acrylic and wax stripper. This powerful stripper removes old wax and finish quickly. Synthetic stripper is made to be used straight or dilute with up to 10 parts water. Mop on and mop off or use stripping pad for difficult areas. Rinsing is required before applying new finish.
158	AMMONIATED FLOOR STRIP	Ammoniated synthetic stripper: Effective acrylic and wax stripper. This powerful stripper removes old wax and finish quickly. Synthetic stripper is made to be used straight or dilute with up to 20 parts water. Mop on and use stripping pad for difficult areas. Rinsing is required before applying new finish.
709	URETHANE STRIPPER (SEE PAINT REMOVER)

17 RUG & CARPET CARE		
170	DRY FOAM RUG SHAMPOO	Best quality Hi foam concentrated rug shampoo Concentrated Dry foam formulation. Dilute up to 16 parts water. Effectively cleans rugs, carpets and upholstery. Shampoo, let dry, and vacuum. Cleans, brightens, and freshens.
171	CARPET STEAM EXTRACT	Concentrated liquid that cleans even the dirtiest rug and carpets. Deodorizes and brightens in one easy step. Leaves fibers soft and residue free.
172	DEFOAMER	Conc. Use anywhere foam control is needed. Concentrated liquid used to stop or destroy foam wherever control is required. Use anywhere from sewage plants to steam extractors
394	CARPET BROWN OUT	Mild acid liquid to dissolve rust and browning caused by alkaline materials.
5630	ENZYME STAIN REMOVER	For organic stains and odors
770	ROTARY RUG SHAMPOO	Use for rotary rug shampooing. Cleans, deodorizes and brightens carpets.
993	CARPET STAIN PREVENT	Super surfactant/silicone formula used to repel virtually any liquid. Keeps liquid from being absorbed into fibers, preventing staining.
3217	Oxi-stain	
	POWDER	
		Powdered Extraction & Pre-Kleen available: concentrated powder cleaners for pre-kleening or extracting. Contains enzymes for difficult protein and grease traffic lanes.

18 EMERGENCY SPILL POWDER & ODOR GRANULES		
551	SUPER ZORB	30 SECOND ABSORBANT instant: Emergency spills are absorbed into an easy to clean up granular gel. This is a safe and eco friendly product that also eliminates unpleasant odors. This super concentrated formulation of bio based materials and natural essential oils can absorb over 100 times its own weight. Packed in 6 and 12 shaker jars per case.
552	"LOCK" EMERGENCY POWDER	INSTANT GEL - Absorbs 100 times its own weight in liquid instantly, so spills are quickly and easily cleaned up. Stops liquid from "running" and locks it into a gelled mass. DEODORIZES: Great odor for immediate relief Packaged in 6 and 12 shaker jars / case
553	MULTI PURPOSE CARPET & ROOM DEODORIZER	White granule formulated with sodium bicarbonate removes unwanted odors and creates a pleasant scent where ever it is sprinkled or applied. Designed to easily be vacuumed from carpets Use on *Carpet *Upholstery *Ash Trays & urns *Animal Odors *Garbage *Dumpsters will OTHER MALODOR SOURCES. Available in bulk or packed 12 x 2 pound shaker jars per case.
554	CARPET & ROOM DEODORIZER	BIO BASED : Brown flakes Eliminate: Foul odors- No Clump Formula Long lasting scent. Can be sprinkled to remove unwanted odors and create a pleasant scent where ever it is sprinkled or applied. Designed to easily be vacuumed from carpets Use on *Carpet *Upholstery *Ash Trays & urns *Animal Odors *Garbage *Dumpsters will OTHER MALODOR SOURCES. Available in bulk or packed 12 x 2 pound shaker jars per case. Available in bulk or packed 12 X 1 POUND shaker jars per case
650 650M	DUMPSTER GRANULES	CHERRY OR NATURAL MINT Highly absorbent cherry granules. Use to absorb spills and eliminate malodors immediately. Sprinkle around foul odors for a long lasting odor neutralizer. Use in cigarette urns, ashtrays, and as a vomit absorbent. Sprinkle in dumpsters to create a pleasant environment. Keeps away pests
651	CHERRY BIO ODOR GRANULES	(SILICA FREE) BIODEGRADABLE Absorbent odor control granules. New biodegradable base makes this the stongest smelling powder available. Sprinkle and vacuum for fast deodorizing of rooms. Sprinkle over garbage or leave container open in room to freshen and create a pleasant smelling environment. Use for picking up spills such as vomit and blood for easy cleanup and immediate deodorizing. Keeps away pests
651M	Mint Bio Granules	With natural essential oils Creates a great mint odor and keeps pests away. With natural oils in a New biodegradable base makes this the stongest smelling powder available. Sprinkle and vacuum for fast deodorizing of rooms. Sprinkle over garbage or leave container open in room to freshen and create a pleasant smelling environment. Use for picking up spills such as vomit and blood for easy cleanup and immediate deodorizing.

19 DRAIN OPENERS (see qts. & enzymes)		
619D	ALKALINE DRAIN OPENER	/Ready to use drain cleaner for both corrective and preventive maintenance. May be used on vitreous china or porcelain. Quickly removes clogs or fixes slow flow in kitchen and bathroom drains, toilet bowls, as well as large drains. USDA
630	ENZIP LIQUID BACTERIA/ENZYME	LIQUID WITH 200 Billion colony of friendly bacteria and ready to go enzymes for fast, effective and safe drain maintenance. Great for grease traps and septic systems as well. Use to open slow drains or for maintenance of institutional waste systems.
	POWDER	
620	POWDERED DRAIN OPENER:	Powder material that gets hot when mixed with cold water. Use for drain cleaner for both corrective and preventive maintenance. May be used on vitreous china or porcelain. Quickly removes clogs or fixes slow flow in kitchen and bathroom drains, toilet bowls, as well as large drains. USDA

ENZYMES continued

611	PORTA-ZYME	Dark blue liquid hides solid waste while strong odor counteractants stop unwanted odors. Enzymes liquefy and break down wastes, eliminating odors.
630	EN-ZIP DRAIN	Most effective liquid contains free enzymes and emulsifiers to begin breaking down waste and grease immediately. 200 billion count bacteria go to work making more enzymes to keep systems free from buildups. Can be used for Drains, grease traps, portable toilets or even as a cleaner for bathrooms or odor eliminator.
633	En-Zip POWDER	Economy (Not for long term storage)
600	ENZYMES	1 BILLION/ Multi purpose Enzyme producing bacteria plus free enzymes that start breaking down organic matter on contact. Enzymes start working immediately while bacteria begin to multiply and create more enzymatic activity. Regular use keeps systems and traps operating efficiently
601	ENZIP "DEO" -	#600 With heavy duty odor counteractant fragrance
610	SUPER POWDERED ENZYMES	3 billion/gram : For best results start with the highest count of fast multiplying bacteria plus enzymes. Bacteria feed on organic waste doubling in number every 20 minutes. The bacteria produce enzymes that break down fats, oil, grease and protein waste.

20 CONCRETE & POROUS MINERAL SPECIALTIES

274	CONCRETE BONDER	Water proof bonding agent between layers of old and new concrete Concrete bonder acrylic adhesive makes concrete repairs that hold. This product contains an exceptional acrylic polymer formulation that insures strong, permanent bond between new and old concrete, mortar or plaster. Just brush it on any clean, sound surface and apply the new cement mix. Use inside or outside. This product will increase bonding strength 8 to 10 times when applied as directed. Eliminates the need to chip or roughen the area to be resurfaced or repaired.
310 - 311 312	MURIATIC ACID.	Inhibited acid cleaner _ Descaler, Delimer and Concrete etcher, cleaner, and remover. (No UPS) Recommend 1300 acid replacement for non corrosive effective concrete cleaning and remover.
1300 - 1301	ARC ACID REPLACEMENT	CONCRETE REMOVER - CLEANER & REMOVER NON CORROSIVE NON FUMING MURIATIC REPLACEMENT. SEE ACID REPLACEMENTS A safe replacement and non corrosive replacment for muriatic acid for cleaning cement and other stone surfaces from rust, scale, and other soils.
444	INNER SEAL	Seal pores and keeps moisture out. Effective in making concrete harder, dustproof, oil proof, acid-resistant and moisture-resistant. Inner Seal is an alkali activated chemical penetrating concrete sealer unlike any other product on the market. When Inner Seal is applied to a concrete surface, it soaks down through the pores of the concrete 118 to 114 inch. This product reacts with the lime in concrete. In the presence of moisture, it forms a hard, insoluble gel within the pores, thus closing the small voids. Unlike surface coatings, this is not worn down by heavy traffic.
446	SURFACE SEAL	Seals curing or new concrete: Invisible coating for cement. Seals moisture below surface.
743	SHIELD	wb: Water based outdoor sealer for cement concrete, stone and porous surfaces. Leaves a slight shine. Repels water making it an excellent choice to prtect surfaces from weather, salt and dirt.
997	BARRIER	Oil and water barrier for concrete, slate, porcelain or any porous surface. Seals surfaces making it virtually impossible for liquids to penetrate surfaces. Keeps surfaces stain free, clean and waterproof.

21 SOLVENT CLEANER & DEGREASER & SPECIALTIES

400	EMULSIFIABLE SOLVENT DEGREASER	A water emulsifiable solvent degreaser Removes and solubilizes oils and grease from all surfaces. Heavy duty degreaser motor cleaner, and garage floor cleaner. May be used full strength or diluted 1:6 with cheaper solvent. Non-caustic, cleans by emulsion. Flush with water under pressure.
408	TAR & ASPHALT REMOVER	- Eases Tar & Asphalt Removal Solvent blend with emulsifiers. Use dissolve and clean tar, pitch, asphalt, oil. And grease from floors, brick, and asphalt spreaders. road machinery. shovels. etc.
412	HT SAFETY SOLVENT	Low odor slow evaporation A unique, non-chlorinated, non corrosive, solvent based product that instantly penetrates degreases and cleans mechanical and electrical equipment components without disassembly. Solvent can be used in soak tank or spray and wipe on parts. This degreaser features a very low odor and a high flash point
422	MINERAL SPIRITS	Solvent Extender & Small Parts Cleaner Solvent used for degreasing small parts and tools. Removes oil and grease. Also used as solvent extender for solvent dilutable products.
427n	BLANKET AND ROLLER WASH	Evaporating wash designed for the printing industry. Simply wipe on and wipe off. Removes ink from blankets, rollers and equipment. Dries without leaving residue. Elongates the life of rollers when used properly.

22 LUBRICANTS & CUTTING FLUID

189	SYNTHETIC CUTTING FLUID	Synthetic lubricant Conc. Concentrated lubricant for cutting, grinding, boring, of steel, iron, stainless, aluminum, brass, etc. Made with corrosion and rust preventatives to protect fresh metals. Dilute up to 1:40.
197	SOLUBLE CUTTING OIL	Oil based water Dilutable A premium petroleum based coolant for all metal working applications. Ferrous and non-ferrous metalworking. Mixes readily with water to form a stable emulsion. Premium lubricant for cutting and grinding with superior rust and corrosion protection. Dilute 1: 40 for most applications.
411	FORM OIL...	Versatile form release oil for use in pre-cast and on site operations. It can be safely used on a wide variety of surfaces including structural members, buildings. foundations, septic tanks, etc. Use to protect metal forms and treat and protect new metal.
415	SILICONE LUBRICANT	Lubricant Solvent blend that lubricates. water-proofs. and prevents rust, May be sprayed on or wiped on metal, rubber, plastic and painted surfaces
417	ANTI ADHESION	Protective Coating For Non Stick Surface Gives a long lasting invisible barrier that protects any smooth surface during mortaring and plastering operations. This may be dipped, brushed, or sprayed on surfaces. Designed to coat truck bodies and beds for easy removal of hard concrete and mortar products.
418	RUST PREVENTATIVE	Premium rust preventer & Water displacer .A concentrated versatile formulation that prevents rust and corrosion on small equipment tools, cranes, etc. May be dipped, brushed, or sprayed. Treat equipment at end of season to create a weather proof coating that protects equipment from elements when they are not in use. Remove coating with mineral spirits or alkaline cleaner
419	PENETRATING OIL	Unfreeze frozen & Corroded Parts Powerful lubricant that frees rusted, frozen and corroded parts. May be dipped or sprayed on affected areas.

23 ACID SPECIALTIES

METAL TREATMENT & RUST REMOVER

306	METAL PREP &	ETCH – Phosphatizing Prep for metal. Phosphatizing agent used to clean and etch metal surfaces to prepare them for paint adhesion. Removes rust and leaves a hard, protective phosphate coating. Dramatically retarding the reoccurrence of rusting.
310-312	MURIATIC ACID	SEE ARC ACID REPLACEMENT FOR NON HAZARDOUS ALTERNATIVE TO MURIATIC ACID
330 & 333	ALUMINUM & STAINLESS	CLEANER & BRIGHTNER Water Dilutable Hydrofluoric Type Brightner Used to clean and brighten all aluminum parts including truck bodies and trailers.
335	COPPER & BRASS	BRIGHTENER liquid that cleans copper and brass while removing dulling tarnish or stains. Brings back original shine
340	RUST REMOVER	Rust eliminator. Leaves protective coat. Phosphoric acid cleaner designed to remove rust from iron and steel. An ideal pretreatment for all galvanized surfaces prior to painting. Use for cleaning and removing milkstone
341	JELL RUST REMOVE	Thick Acid Rust Remover
414	STAINLESS POLISH	Oil based: Use this product to clean, polish and protect stainless steel and other metal surfaces. It does not contain acid, silicon or abrasives. It has a pleasant mild citrus fragrance, and it will not powder or cake in crevices. Removes smudges, fingerprints, dirt and oil easily and quickly.
424	STAINLESS & GRANITE POLISH	Water emulsion: A thick crème for use clean, polish and protect stainless steel and other metal surfaces. It does not contain acid, silicone or abrasives. It has a pleasant natural citrus oil fragrance. It will not powder or cake in crevices. Removes smudges, fingerprints, dirt and oil easily and quickly.

24 ACID REPLACEMENT

Applications: Tub & Tile Cleaner - Urinal Cleaner - Grout Cleaner Bowl Cleaner, Descalers - Acid Presoaks Concrete Floor Cleaner, Concrete Truck & Equipment Cleaner

Surfaces _ Ceramic Toilets - Plastic Urinals - Porcelain Shower Rooms - Fiberglass Restrooms - Stainless Steel

Other Uses: Acid truck wash - Tarnish remover - AC and Cooling Coil Cleaner - Milk Stone Remover, Kennel Cleaner - Steam table cleaner - Memorial Stone

1300	1300: SA - BLAST	Most concentrated acid replacement available. Use to clean cement trucks, wash cement, stone, etc. Replaces Hydrochloric acid cleaner and other acids such as #312, #311 and #310
1302	1301: SA - Multi Surface:	Concentrated safe acid for de-scaling, cleaning tile and grout cleaner, bowl cleaner, porcelain and fiberglass cleaner. Replaces #190, #2190
1303	1302: SA - RTU:	A strong Ready to use high performance bathroom & kitchen acid replacement cleaner. Quickly removes all scale – lime – rust etc. Restores surfaces to like new

25 WINTER PRODUCTS

337	DE-SALT WINTER RINSE	Formulated to quickly neutralize salt and mineral deposits, preventing damage or tracking that can occur. Rinses and washes away white residues and leaves surfaces clean and bright.
387	D-FREEZE	Ice preventer and melter. Non chloride
416	SNOW PLOW WAX	Slippery coating for plow blades Spray on snow plow blades to create a long lasting invisible barrier that shields the surface making a "non-stick" coating allows snow to flow easily over blades surface without catching.
2187	ICE AWAY GRANULE	Fast melting & traction control: Economy blend of potassium and or sodium chloride. Treated to prevent attack on cement or vegetation.
2287	BLUE MELT GRANULE	:Blue granules - fast melt non tracking. Our 2187 blended with calcium and/or magnesium chloride. Use for more extreme areas where working temperature is well below freezing. Working temperature is below -15 deg. F.
3187	ENVIRO MELT	NC (Pellet/Granule) NON CHLORIDE ice melter. Biodegradable, environmentally friendly, and works at lower temperatures than Urea alone. Blend of white pellets and granules. Working temperature is approx 5 degrees. Has the lowest environmental impact. Will not cause concrete to scale. Safe on most surfaces, around wildlife and airports.

26 FIRE FIGHTING

HOSE & BUNKER CLEANER.. use #100 DEGREASER, #115 ALL PURPOSE, #127 CITRUS ALL PURPOSE

173	TANK PROTECTOR	- Prevents rust in water tanks. A clear odorless product designed to protect metal holding tanks against rust and corrosion
2178	WATER WETTER	Turf penetrant/Fire wetter/dust control) A formulated blend of non-ionic wetting agents designed to aid in wetting or reducing the surface tension of water. This allows deeper penetration, quicker drainage and drying time. Uses: Golf courses, lawn, caretakers, and fire fighting and dust control.
2193	WATER WETTER/TANK PROTECTOR	Two products in one. Super concentrated water wetting agent to make water spread more quickly extinguishing fires with less water faster. Now contains corrosion protection for long term storage in tanks and containers without the worry of corrosion rust or other contamination.
853	FIRE FIGHTING FOAM	Class A High Expansion Foam Forms a dense foam suitable to extinguish Class A fires. High expansion foam extinguishes by a combination of 3 properties. Firstly to prevent air (oxygen) from supporting combustion. Secondly, provide a cooling and thirdly, water released from the foam contains wetting agents which facilitates penetration into the substrate and increases the rate of extinguishment.
852	VAPOR SUPPRESSANT	This product is designed to reduce the fire hazards associated with flammable liquid spills. This concentrated formula will emulsify fuels, oils, and hydrocarbons with water. The emulsion will suppress flammable and combustible vapors significantly reducing the fire hazards associated with the vapors.
854	AFFF 3% Fire	Fighting Foam: Class B and class A fires Effective AFFF 3% - 6% liquid to extinguish fires quickly and to keep fires from re-ignition. Use for class A & class B fires. Not for alcohol
856	AFFF Alcohol Foam: 3% class B 6% Alcohol fires	Forms a dense foam to extinguish Class A or Class B fires and Alcohol fires. This material smothers fires and prevents air from reaching the flammable materials. Lowers the heat of combustion by cooling action.

27 WATER TREATMENT BOILER WATER, COOLING TOWER

193	COOLING TOWER TREATMENT	- Total water treatment A complete conditioner for cooling tower systems. Special blend of inhibitors that prevent corrosion caused by various unlike metals from oxidation in water systems. Conditions metal surfaces in water while controlling pH, scale and internal parts.
196	BOILER WATER TREATMENT	Complete treatment Complete treatment for boiler systems. Treats water with softening agents, rust and corrosion preventatives, pH control and oxygen scavengers. (#7196 for steam boiler treatment)
293	OXYGEN SCAVENGER	Reducing oxygen in the water is a must for recirculating boiler systems. Sodium sulfite solution designed to use and remove all oxygen in the water of the system. Without oxygen you will keep the system cleaner and corrosion free allowing for efficient and long term service.
200	SOOT AWAY	Ready to use spray is a fast acting liquid that does the work for you. Simply spray unique directly onto the walls of a fireplace/furnace actually reduces the burn temperature of the soot that is adhering to the wall. When the system comes on after application, the soot will now burn off on its own, leaving a clean and safe surface.
7196	STEAM TREATMENT	Complete treatment for boiler systems with additional amines to treat the entire system including steam lines. Treats water with softening agents, rust and corrosion preventatives, pH control and oxygen scavengers. (#7196 for steam boiler treatment)
Misc	CUSTOM BLEND	many liquid and powder boiler and cooling tower formulations. They are blended for specific requirements such as hard water, scale, ph, or to meet the need of a specific area. So please ask.
	Pool ph down	
	Pool ph up	

28 COIL CLEANERS

106	Mr Coil:	a highly effective concentrate is specially formulated to clean evaporator coils. Apply "to the air-intake side of evaporator coils, and soak coils thoroughly. Air Flow pulls and disperses coil cleaner throughout coils, permitting solution to mix with condensate. Removes dirt grease and grime from surfaces. Cleans condensers, washable filters and food storage and handling equipment where rinsing is required.
107	REAL STUFF	Alkaline Coil Cleaner & Brightener: A super strong cleaner for the heaviest of buildups. Contains alkali that microscopically remove outer layer of coils, restoring underlying surface to sparkling clean and bright.
199	COIL CLEANER	BRIGHTENER ACID TYPE - Dissolves scale, Dirt, and Soils and Brightens Acid coil cleaner cleans dirt grease and grime. Acid creates a bubbling action on aluminum fins, leaving them clean and bright.
309	DESCALER & DELIMER:	Safe replacement for HCL COLOR CODED Descales without the use of hydrochloric acid. Effectively descales lime, slime and algae which rapidly build up in condenser coils and pipes in circulating heating and cooling systems. Color coded product makes it easy to use. Product is red when put in system. If it turns blue after flushing system there is additional scale in system which needs to be purged with another treatment.
310-312	MURIATIC ACID	Inhibited acid cleaner _ Descaler, Delimer and Concrete etcher, cleaner, remover. **1300***RECOMMEND #1300 ACID REPLACEMENT CLEANER FOR NON CORROSIVE MURIATIC REPLACEMENT
	POWDER	
106P	MR COIL P	Powdred form of Mr. Coil Liquid. Saves space and money. Highly effective to clean evaporator coils quickly and easily.

29 GRAFFITI & PAINT PRODUCTS

703	GRAFITTI GO A	A thin liquid designed to remove light graffiti. Removes marker, inks, pencil, ball paint ink, stencil, crayon and lipstick
704	GRAITTI GO "B"	Synergistic blend of natural solvents and environmentally friendly pain and ink dissolving material for more difficult graffiti removal. Removes marker, ink, and most paint and graffiti. Use on walls, stainless steel, partitions, brick and concrete
705	GRAFITTI GONE	(Hi alkaline) Environmentally safe PAINTABLE graffiti remover used to dissolve graffiti and make removal of unsightly markings fast and easy. This formula does not use toxic chemicals such as methylene chloride. Graffiti gone will remove most paint, ink, lipstick, magic marker and other forms of graffiti. This product works best when used with hot water under pressure.
709	GRAFFITI GONE II	Heavy duty exterior/interior graffiti remover. Lifts unsightly graffiti off porous and non porous surfaces. New technology makes this the strongest graffiti without the use of toxic chemicals such as methylene chloride, MEK, Xylene and other hazardous graffiti removers.
711 711E	Graffiti Remover	Low VOC heavy duty : Designed for difficult jobs like permanent marker and most paints. This product is more economical then 709 has lower VOC and lower cost. Use for difficult jobs like signs and patricians.
740	GRAFITTI COATING	A clear acrylic coating for concrete, stone, slate and steel surfaces. This product will form a hard and durable water proof coating creating a barrier that help prevent graffiti from getting into the pores of surfaces. Graffiti sets on protective barrier, not substrate, making removal quicker and easier.

30 DISINFECTANTS & DEODORANT CLEANER

800	MICROCIDE R.T.U.	Ready to use detergent disinfectant pump spray. This product is a cleaner - disinfectant - detergent - fungicide - deodorizer - mildewstat - virucide and tuberculocide. Readily cleans and deodorizes hard surfaces. Effective for canine parvovirus and HIV-1.
813	ODORLESS (HIV) -	Disinfectant, Deodorizer, Cleaner, Sanitizer, Virucide, Mildewstat and Fungicide New registration designed to clean, disinfect, and sanitize. Use as a mildewstat a virucide and a fungicide. Proven effective against (HIV-1)AIDS VIRUS on pre cleaned environmental surfaces or objects previously soiled with blood or body fluids. Use rate for cleaning and disinfecting is 2 oz. per gallon. For sanitizing use 2 oz. per 3.5 gallons of water. 813L- Lemon 813M-Mint 813P-Pine
921-927	Lemon – Pine – Mint	All cleaners designed for any water safe surfaces. Use at 2 oz/gallon to remove dirt, grease and oil. The product will leave surfaces grease free and smelling clean and fresh. Unscented –

31 PATCH / REPAIR / RESURFACE FOR CONCRETE & ASPHALT

670	EPOXY PATCH KIT	GAL KIT 1A &1B + Aggregate Trowellable coating or repair for large cracks & holes Containing 1 unit of resin, 1 unit of hardener and aggregate for the strongest possible patch on concrete. This 100% epoxy concrete patch & repair kit is used on sidewalks, driveways. basement floors. bricks and stones, steps and walls, etc. Designed for use on floor areas which are subjected to abrasive traffic, impact and corrosive spillage.
674	LATEX PATCH	Trowellable concrete patch Designed for resurfacing and repairing concrete and masonry surfaces. Kit consists of a fine powder and an acrylic latex liquid binder. It makes a trowelable mixture applied over a dampened surface at an average thickness of 1/8".

PATCH / REPAIR / RESURFACE FOR CONCRETE & ASPHALT continued

675	CEMENT PATCH:	RAPID STRENGTH GAIN - OPEN TO TRAFFIC IN 2 HOURS - NO SPECIAL CURING ONE COMPONENT REPAIR CONCRETE: Highways and Bridges - Airport Runways - Concrete Slabs - Parking Decks - Manhole repairs PATCHING: This is a rapid setting concrete repair material. This patch develops a high compressive strength.
680-688	2 PART EPOXY PAINT 1 CAN(1/2 GAL)A + 1 CAN (1/4 GAL) B	Epoxy paint to resurface or make permanent coating on cement floors. Durable and long lasting can hold up against harsh chemicals acids and heavy traffic. Perfect for warehouse and garage floors. May be brushed or rolled on to floors for a protective and extremely hard surfaces. This 100% epoxy can be used on stone surfaces, in plants. On bricks and stones to create a protective seal and protectant. Can also be used to fill and patch cracks, holes, breaks, and cracks. Helps to water proof and create a chemical resistant surface.
689	NON SKID KIT	(1a+1b+aggregate) Resurfacing kit. 2 part epoxy is our 680 epoxy paint with non skid aggregate. Super strong epoxy with durable coarse aggregate. Creates a new rough surface for any area where slip proof is required or desirable. Final product is an extremely hard, durable long lasting protective coating.
690	BLACK TOP PATCH	(60 LB) A ready to use all weather cold patch. Repairs chuck holes instantly. Just cover area and tamp down. Used in loading areas, parking lots driveways and walkways.
970	GREY EPOXY PATCH A 5 gallon pail containing 1 unit of resin, 1 unit of hardener and aggregate for the strongest possible patch on concrete. This 100% epoxy concrete patch & repair kit is used on sidewalks, driveways. Basement floors, bricks and stones, steps and walls, etc. Designed for use on floor areas which are subjected to abrasive traffic, impact and corrosive spillage
980	GREY EPOXY	PAINT KIT 1 CAN(1/2 GAL)A + 1 CAN (1/4 GAL)
990	DRIVEWAY SEALER:	Coal tar/ acrylic emulsion. Rejuvenate old or worn black top with this product. Creates a weather proof protective barrier adding years to surface.
991	DRIVEWAY SEALER/FILLER	Designed to seal and fill in small cracks of blacktop surfaces. Rejuvenate old or worn black top with this product. Creates a weather proof protective barrier adding years to surface.

32 WIPES

W181	GLASS CLEANER	Cleans in one easy step. Lint-free, ammonia free formula. Removes dirt, smudges and water spots without streaking
W414	STAINLESS STEEL	Cleans, polishes and protects. Prevents water marks and corrosion
W563	HAND SANITIZER	Kills 99.9% of bacteria. Fresh fragrance. Leaves hand feeling fresh
W704	GRAFITTI WIPES	Removes marker and paint from most surfaces. Great for bathroom patricians, signs and walls.
W750	ALL PURPOSE & HAND CLEANER	High powered versatile cleaner. Industrial strength, yet gentle to skin. No rinsing. Removes tar, grease, wax, ink, paint, lubricants and adhesives.

33 DIB'S ULTRA CONCENTRATE SYSTEM

DIB-1:	HEAVY DUTY DEGREASER	2 kits make 1 drum of concentrate or 2 gallon makes a ready to use drum
DIB-2:	ALL PURPOSE NEUTRAL CLEANER	5 gallons MAKES A DRUM OF CONCENTRATE
DIB-3	GLASS & SURFACE GLEEM	5 gallons makes 55 gallons of concentrate. 1 Gal. Makes 55 gallons ready to use.
DIB-4:	NATURAL CONCENTRATE	Citrus Solvent Cleaner
DIB-5:	SPEED STRIPPER	: 1 KIT MAKES 55 GALLONS READY TO USE
DIB-6:	ODOR COUNTERACTANT	: 1 KIT MAKES 55 GALLONS CONCENTRATE (Price depends on scent)
DIB-7:	ODOR ELIMINATOR	1 KIT MAKES 55 GALLON CONCENTRATE

34 DILUTION SYSTEM

DS1	DILUTION STATION CHEMICAL	1	This one chemical station is used with our all purpose cleaners. 4 dilution settings allow this one product to be use at levels for cleaning glass (high dilution) or for heavy degreasing (low dilution) and 2 setting in between. Also has a slow fill and high flow so you can fill spray bottles or buckets. Comes with propriatory cap that fits quickly on the dilution station insert that is in each container used on this station. Recommended products: 3210 Peroxide Cleaner 3101 Clear Choice All Purpose
DS4	DILUTION STATION CHEMICAL:	4	Up to 4 products allow true versatility. Choose four separate products for the most effective all around system. For example: Floor Neutral Cleaner – Disinfectant – Bathroom Cleaner – Odor Counteractant. Also has a high and low fill for every type of filling need.

ACCESSORIES

DC: DILUTER CAP FOR 38MM DISPENSER			

35: CERTIFIED GREEN PRODUCTS

Clean for Health – Clean for Environment

Environmental Impact, Worker Safety and Product Performance

DFE CERTIFIED

ECO LOGO CERTIFIED

USDA BIO BASED

 FLOOR CARE		Container	Dilutions	Certification
#3331	G-Strip - Resilient and hard floor wax/finish stripper. Heavy duty product, yet simple to use. New technology destroys bonds that hold finish and wax together. This allows more complete floor finish removal, allowing the floor to be stripped better, faster, easier and SAFER.	4 single gallons or 5 gallon pail	1-5 up to 1-8	Eco logo Ogs Child safe *
* #3153	Bio-Stripper - New technology Bio Based floor stripper. Works without the hazards or smell of traditional "Butyl" type strippers.	4 single gallons 5 gallon pail	1-5 up to 1-8	USDA Bio Based
#3332	G-Neutralizer Neutralizers and conditions stripped floors properly before the applications of floor sealer/finish to ensure that a proper bonding takes place.	4 single gallons or 5 gallon pail	1 oz / gallon	Eco logo Ogs Child safe *
#3334	G-Clean - Multi surface cleaner and floor maintainer. Conditions surfaces & repel soils, keeping surfaces cleaner longer. Restores appearance and maintains gloss when used in conjunction with the floor care system. Adds moisture back into the film keeping floor flexible and adding durability.	4 single gallons or 5 gallon pail	.5-4 oz./gallon	Eco logo Ogs Child safe *
#3323	G-Freedom FLOOR FINISH - "WET LOOK: shine in a self sealing finish. CRYSTAL CLEAR and UV resistant finish. Revolutionary dries from the BOTTOM UP, resulting in increase time between stripping and recoating. Can be used on all types of resilient floors, natural stone, ceramic tile, wood, concrete, rubber, BAT and VCT. Does not contain heavy metals – or Styrene. Safest finish for schools, institutions.	4 single gallons or 5 gallon pail	As is	Eco logo Ogs Child safe *
#3040	Floor Restore - Organic based naturally derived floor cleaner. Use of this product will keep floors shiny longer and reduce the need for recoat and stripping. No odor or color	All standard sizes	2-8 oz.gallon	USDA Bio Based DFE pending

 CARPET CARE		Container	Dilutions	Certification
#3170	Clear Choice Rug Shampoo - Hi Foam Rug Shampoo. Bio Based formula is dfe certified. Quickly makes a dense layer of foam to quickly lift soil dirt and grime out of rugs and carpets. Simply allow to dry and vacuum.	All standard sizes	8 oz/gallon	DFE Bio Based *
#3171	Clear Choice - Extraction - Environmentally responsible carpet extraction. Mild PH formula give heavy duty cleaning and restoration to old dull carpets. Naturally cleans and degreases and contains a built in natural defoamer	All Standard sizes	2-4oz/gallon	DFE Bio Based*
#3341	G-Lift: Carpet and Upholstery Cleaner "PRE-SPRAY – SPOTTER – BONNET CLEANER" This super three-in-one multi purpose, upholstery and drapery cleaner. G-LIFT cleans deep, restores substrate.	4 single gal. Or 5 gal. pail	1-4 oz/gallon	Eco logo Ogs Child safe *
#3342	G-Neutralizer/ Neutralize residues left from conventional carpet cleaners	4 single gal. Or 5 gal. pail	1 oz/gallon	Eco logo Ogs Child safe *
#3343	G-Extraction - New technology extraction for carpet, upholstery and drapery cleaning. Formulated for professional extraction and maintenance of all carpet and fabrics. Cleans deeply into all types of fabrics, unlike conventional cleaners that remove only surface soils. By restoring the substrate to its like new state, the time requirements between cleanings increases. Use in both truck mount and portable extracting equipment.	4 single gal. Or 5 gal. pail	2-4 oz/gallon	Eco logo Ogs Child safe *

GENERAL PURPOSE

		Container	Dilutions	Certification
#3101	Clear Choice All Purpose- Mild Alkaline All Purpose cleaner for economical cleaning and degreasing with our harsh chemicals. Clear Choice is completely biodegradable and uses the newest green technology to remove soils and leave surfaces completely clean of dirt, oil and grease	55 gallon drums 5 or 6 gallon pails 4x1 single gallon	4 oz to 16 oz per gallon	DFE REGISTERED
#3348	Glass cleaner concentrate. Designed with renewable surfactants for fast effective cleaning without using ammonia or alcohol	All standard sizes	4-8 oz / gallon	DFE *USDA Bio Based
#3210	PEROXY-CLEAN -High concentrated oxygen releasing power and safe detergents to clean surfaces and remove organic stains. Naturally penetrates surfaces and fibers sending the cleaning agents deep into the soils and stains. Destroys odors while providing color safe bleaching action. This product can replace individual glass cleaners, spray and wipe cleaners, degreasers, mopping solutions, carpet spotters, pre-sprays and bathroom cleaners.	4 single gal. Or 5 gal. pail	1 oz to 16oz/gallon	*DFE
#3321	G-Degreaser- Super heavy duty cleaner removes soil electrolytically which cleans surfaces better, easier, faster. Conditions surfaces to help repel soils and keep surfaces cleaner longer. Easy to use and long lasting effectiveness lowers overall end use cost. Does not contain any harsh caustics, ammonia or solvents and is less corrosive and is effective in cold, hard and soft water. Easily removes animal fats or petroleum oils, grease, antioxidant, asphalt coater, and a wide variety of soils.	4 single gal. Or 5 gal. pail	2 oz – 9 Oz/gallon	Eco logo Ogs Child safe *
#3322	G-Glass- Cleans better, easier faster and safer. This glass and surface cleaner conditions surfaces to help repel soil and keep surfaces cleaner longer. High concentration, ease of use and long lasting effectiveness lower overall end use cost. Can be used in cold water. Use on all washable surfaces such as glass, stainless steel, doors, walls, ceramic tiles, porcelain, plastic and metal. Leaves no residue after cleaning.	4 single gal. Or 5 gal. pail	1.5 oz/gallon	Eco logo Ogs Child safe *
#4314	Magnifico- Wonderfully fresh scented neutral cleaner. Made with renewable detergents and readily biodegradable emulsifiers. Good for you good for the environment	All standard sizes	2oz – 16 oz / gallon	Bio Based Formula

BATH & KITCHEN

		Container	Dilutions	Certification
#3164	FOAMING HAND CLEANER: Bio based ready to use formula cleans hands contains natural emollients and oils.	4x1	Use as is	DFE *Bio Based
#8356	OC CLINGER - Organic clinging bowl cleaner: Natural blend of bio based acids and detergents. With clinging action to get toilets sparkling clean	12x1 quarts	Use as is	USDA *Bio Based Dfe pending
#8365	Multi surface foaming bathroom cleaner: Natural blend of bio based acids and detergents. With clinging action to get toilets sparkling clean	12x1 quarts	Use as is	USDA Bio Based DFE
#3346	Happy Hands- Lotion hand soap from renewable resources. Naturally cleans hands without any sticky residue	4x1 gallon	Use as is	DFE USDA Bio Based

AUTOMOBILE

		Container	Dilutions	Certification
#33180	CLEAR CHOICE CAR WASH: Made from 100% bio renewable materials for the safest and most environmentally responsible cleaning Super concentrated, use only a few ounces per gallon to wash vehicles, leaving a spotless free high luster finish	All standard sized	1-4oz/gallon	Bio Based Formula
#3441	CLEAR CHOICE SILICONE FREE TIRE SHINE: Derived from sugar and plant derived sources makes this the ideal product for car detailers and auto shops that can not use silicone	All standard sized	Use as is	Bio Based Formula

DRAINS & GREASE TRAP

		Container	Dilutions	Certification
#3200	G-Zyme -Liquid enzyme producing bacteria with built in deodorizer. 200 billion/gallon active bacteria and lemon odor. Cleans and maintains drains, grease traps, urinals, toilets	4 single gal. Or 5 gal. pail		Eco logo Ogs Child safe *

- Some bio based formulations are not registered with the USDA as no standard has been established for the product category at this time. We will add those products as soon as the standards are established or the product category is available.
- **Check our website and regular product line as formulation changes are made for "greener cleaner".**
#115 is now offered as **#3115 Vigor MG** and #127 is now offered as **#3127 Citrus Degreaser OG.**
Greener, VOC Compliant Products and no NPE's

**Product listing is current as of the date of printing. The list can change as the governing agency continues to modify the requirements of green standard for any cleaning category.*
