Please feed your pet before arriving for Daycare.

If you are providing their meal for us to feed your pet, there will be a **\$1.00 fee for each meal.**

This fee provides a bowl and monitoring service.

Please clearly write your pets name on the bag or container.

Payment due at time of food drop off.

This fee is necessary due to the increase of feeding request and needing additional staff efforts.

We strongly recommend NO treats at least 48 hours prior to Daycare, Boarding and Assessments. Treats may be provided for your pet when boarding.

All dogs are required to have nails trimmed to a reasonable length before daycare or boarding at our facility.

This is to prevent injury to themselves, other dogs, and to our furnishings and property. Please schedule nail trimming with your groomer or with us prior to coming for daycare or boarding.

**We will only be open on Saturdays for Daycare services during boarding peak season. We will be open on Saturdays during non-peak season only if there are boarders staying at this facility. Please call at least 3 days in advance to find out if we will be open.

Our facility is a unique set up to resemble a home environment. We strive to make your pet(s) comfortable as possible. However, this is not a residence, all staff members have a home to go to. A staff member will live among the pets while boarding at this facility.
