3. After your identity is verified you will be directed to the VIC site.

Part III: Complete Your VIC Request

1. Validate your personal information, upload a copy of your federal or state issued identification, and a personal photo that will appear on the card.

You cannot edit your Character of Discharge. If there is a need to update your Character of Discharge, please upload a copy of your DD-214 to the application.

2. Once you have confirmed that your information is accurate and uploaded all required documents, click "Preview Card", and then click "Submit Request".

You will need to complete steps one and two by selecting your images before clicking "Preview Card"
