

Clear Guidance Engagement Specialist

Clear Guidance is now offering an Engagement Specialist Program. Our Specialists are skilled, educated individuals who provide direct companionship and meaningful engagement for our clients.

As a home care agency, you are most likely wondering "How does this program complement our services". Our Specialists afford that needed break to your 24/7 or live in caregivers who may need an hour or two to attend a personal appointment, run errands or just an opportunity to reenergize!

Also, for clients who need companionship, if you are unable to accommodate a 1, 2 or 3 hour shift, that's where we come in. Our Specialists shifts are under 4 hours..

Service may include:

- Provide stimulating and meaningful companionship and conversation
- Schedule and accompany clients to medical and non-medical appointments
- Meal preparation and partnership in dining
- Encourage and participate in physical activity
- Engage clients in games/puzzles
- Assist with household maintenance or oversight
- Provide medication reminders
- Work with Expressive Arts Therapist to create program for engagement
- Escort client on outings in larger community (as appropriate)
- Provide detailed reports to family members and/or responsible parties
- Collaborate with professionals and advocate for clients' needs
