

St. Clare College

MISSION

To provide quality and excellent global education for the total development of a responsible, innovative, skillful and professional global workforce whose values and dignity are beyond par.

VISION

To become the leading institution for professional development and the first and foremost provider of quality, affordable and sustainable development education.

ST. CLARE COLLEGE DIGITAL PASSPORT POLICY

Official Use of Digital Passport for Identity Verification

Upon successful registration and receipt of the printed ID – which doubles as the Digital Passport – all students of St. Clare College are mandated to:

- 1. Cease Usage of Unofficial Profiles:** Students are prohibited from using any unofficial or alias profiles on all platforms associated with St. Clare College. This ensures a singular, authentic digital presence for each student.
- 2. Exclusive Use of Digital Passport Pictures:** Only the photograph associated with the Digital Passport is to be used on any official school platform or tool. Personal or alternative images are not permitted.
- 3. Email Address Consistency:** Students are required to exclusively use the email address linked to their Digital Passport for all school-related communications and interactions. The use of personal or other unofficial email addresses for school purposes is strictly prohibited.

Failure to adhere to the above stipulations may result in disciplinary action, exclusion or expulsion at St. Clare College. We believe these measures will foster a more trustworthy and secure digital environment for all members of our community.

We believe in nurturing a responsible digital environment, and your Digital Passport is a step in that direction. Ensure you keep it safe and use it responsibly.

By acknowledging this Policy, students of St. Clare College affirm their commitment to responsible digital citizenship and agree to abide by the rules and regulations set forth herein.
