

Guidelines

By my signature below, I commit to my school-aged children, ages 5 to 17, to participate in the World Deliverance Hand-in-Hand Outreach Program for one year. This participation will include, but not be limited to:

1. Attendance at the offered monthly events (a minimum of six per year).
2. Attendance at at least one of the two camps that are offered (Spring and/or Summer).
3. Participation in a once-a-year service project that we will arrange and supervise.
4. Completion of at least one survey to assess program effectiveness (the survey may include video or testimonial).
5. Consent to a photo release for all photos taken during events for use by the Hand-in-Hand Program and World Deliverance Foundation.
6. Consent to field trip attendance of the listed children.

The World Deliverance Foundation will reach out each month for a wellness check. Failure to comply with the above guidelines will result in immediate termination from the program and not being allowed to reapply for at least two years from the termination date.
