- C. Canned Good Collection will begin again starting February 15, 2022. A teacher will drive donations to Patrician Society.
- D. Registration for 2022-2023 is going well. There is enrollment open for most grades, except for the middle grades. PreK is almost full.
- E. Day of Giving raised \$8,000 out of a goal of \$12,000 for new digital walkie talkies. These are very clear and will not need a local license or channels to run. These will be available next year.
