

Updated for the 2021-22 School Year

Corpus Christi Catholic School

920 Sumneytown Pike, Lansdale, PA 19446

215-368-0582

2021-2022 opening directives

Preparation of Building

- All furniture and areas were cleaned and sanitized.
- Student desks placed to achieve the appropriate social distance, in rows, facing Smart Board.

Wellness Checks

- School and Parents work as a team to protect the safety and continued well-being of everyone.
- Students will receive frequent reminders throughout the day to wash their hands thoroughly as well as to sanitize their areas frequently.

Masks

- At this time, all students must wear masks when entering or leaving the building, in the hallways and in the classroom by directive of the school plan. The school will follow closely the directives and advice of the Montgomery County Department of Health and the Archdiocese of Philadelphia. Masks will not be worn during snack or lunch recess.
- All faculty and staff will wear a mask and/or face shield at all times while in the building.
- Limited number of visitors to the building will be required to wear a face covering upon entering the building.

Transportation

- Students are required to wear masks on the bus from the time of pickup.
- Students who ride the bus will leave the bus in a single file line and enter the building with the appropriate social distancing and will be supervised by a faculty member.
- Students who come to school using private transportation must wear a mask when entering the building. In order to facilitate an efficient drop-off, please have your child put his /her mask on prior to entering the parking lot.

- Bus and car dismissal will be by floor to maintain social distance. This will obviously require extra time. If your child is using private transportation, please follow the normal pickup procedure. As usual, all students must be in their cars before any car exits the parking lot. This process will require an extended period of time to ensure the safety of students.

Recess - lunch and morning recess for Prek and kindergarten

- Students will go outdoors for recess, weather permitting. They must remain with their cohort and the areas will be marked off for them. There will be a rotating schedule for use of the grassy areas. Playground equipment is clearly marked for each homeroom and a student will be responsible for taking it outside. It will be sanitized at the end of recess.
- Students need to wear their mask to leave the building and upon reentering the building.

Actions Required for Suspected COVID Cases

- Students who become symptomatic during the school day will be sent to the school nurse. If deemed necessary by the nurse, parents will be contacted to take the child home.
- All confirmed cases will be reported to the Montgomery County Board of Health.
- Parents/students/employees will be notified if they are considered close contacts and procedures/actions once determined by the county health department will be communicated in terms of need for testing/quarantine and length of time for isolation.
- Areas with potential exposure will be evacuated and sanitized with the electrostatic disinfecting fogging machine purchased by the parish for such purposes.

Actions Required on a Confirmed Case of COVID

- Confirmed cases of COVID will be reported immediately to the Montgomery County Department of Health and their procedures will be followed. Procedures vary on a case to case basis.
- If a student tests positive, the student must follow the school's isolation and quarantine procedures. The school follows the guidance of the county.
