Summer Reading Assignment

For Students Entering 2nd Grade

Rosie Revere, Engineer

Students will read *Rosie Revere, Engineer*, written by Andrea Beaty. Students will complete the Character Feeling Chart and the Goal Chart.

**Goal Chart**

Students will make a list of 5 things they want to learn or do by the end of the school year. Students will illustrate their list. The goal must be related to school.

**Character Feeling Chart**

Students will complete the chart by writing the title, author, and main character. For each frame, students will include an illustration and a complete sentence to tell how Rosie feels in the beginning, middle, and end of the story.

Please see attached rubric for further direction. This assignment is due on the first day of school.

Enjoy your summer!
Rosie Revere, Engineer
