Last Stop on Market Street

Students will read *Last Stop on Market Street* written by Matt de la Peña. Students will complete the Character Feeling Comparison Chart and Response Sheet.

Character Feeling Comparison Chart

Students will complete the comparison chart by writing how CJ felt and how Nana felt in the given situations. You do not need to write in complete sentences but please use specific examples from the story. For example, after writing the feeling, state why the character felt that way.

Response Sheet

For each box at the top, students will draw a beautiful thing that CJ saw that didn't cost money. You should draw a total of 3 pictures. All pictures should be colored. Then, students will write two acts of kindness that Nana and CJ did on the bus. These should be written in complete sentences.

Please see the attached rubric for further direction. This assignment is due on August 29, 2023.
