# The Power of Water®

## 1. WET DUST CAN'T FLY®

The Rainbow uses Mother Nature's most powerful element, water, to trap dirt and odors, returning only naturally clean, water-washed air to your home environment.

## 2. TWICE AS CLEAN

This unique water filtration system captures typical household dirt, while remaining, microscopic particles are caught by our HEPA Neutralizer Filtration System. This two-stage filtration combination removes nearly 100% of dirt and contaminants from your home.

## 3. HURRICANE® MOTOR

Powered by switched-reluctance technology, our powerful Hurricane® motor has the force to tackle your toughest cleaning jobs and offers indefinite motor life.

## 4. POWER AND CONTROL AT YOUR FINGERTIPS

We've thoughtfully placed the controls in an ergonomic handle grip, allowing precise control over powered accessories.

## 5. QUICK CONNECT

We've thoughtfully placed the controls in an ergonomic handle grip, allowing precise control over powered accessories.

## 6. TRAVEL LIGHTLY

The Rainbow follows you from room-to-room on its easy-maneuvering dolly. A rubberized bumper protects your walls and furniture.

## 7. ON-BOARD LED HEADLIGHTS

Illuminates the path ahead, ensuring you'll never miss a spot.

## 8. WALL-TO-WALL CLEANING

Dirt, pet hair and crumbs vanish in the Power Nozzle's powerful revolving brush.
