

THE PAYPROP ADVANTAGE

WHY LEADING LANDLORDS TRUST LETTING AGENCIES THAT RUN PAYPROP

As safe as houses

PayProp agents maintain top client money handling standards, as recognised by industry bodies like Propertymark.

Get your share of the rent sooner

PayProp enables agents to settle funds to landlords on the same day they receive the rent from tenants.

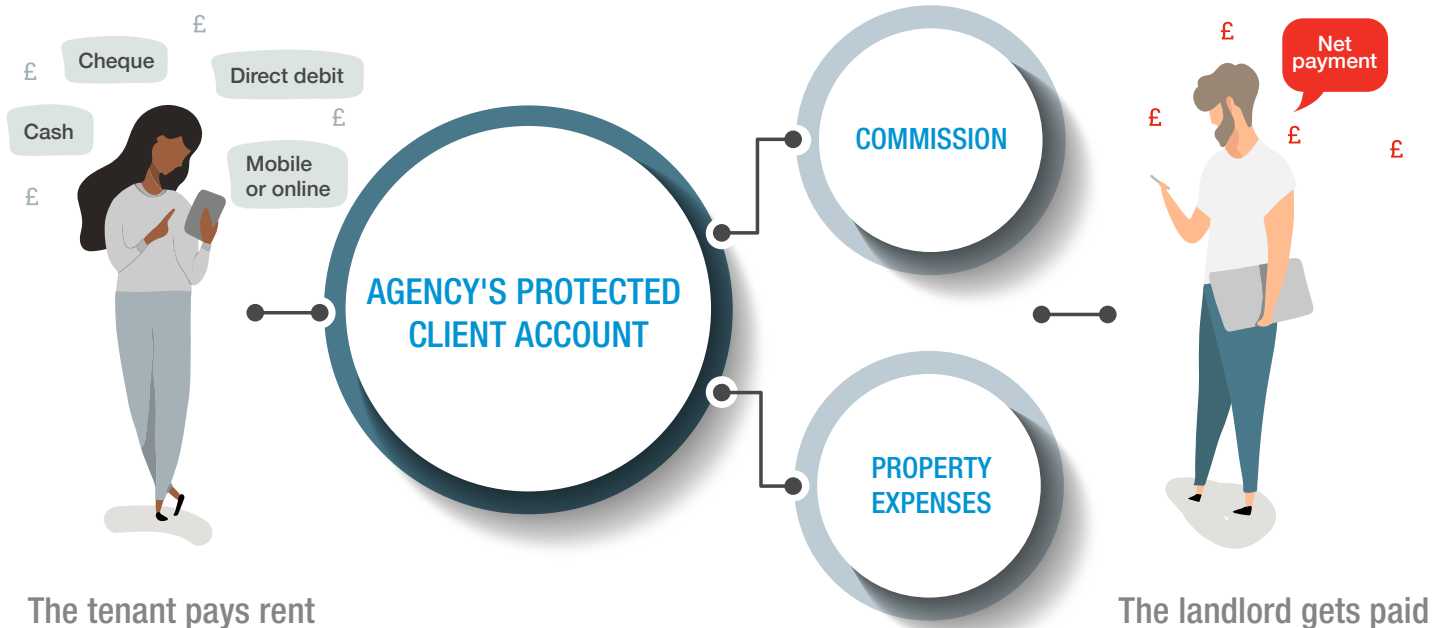

Reduce rental arrears

The PayProp dashboard shows your tenants' live arrears status. Agents can approve automated reminders via e-mail and text message as soon as a tenant falls into arrears. Most respond within 48 hours.

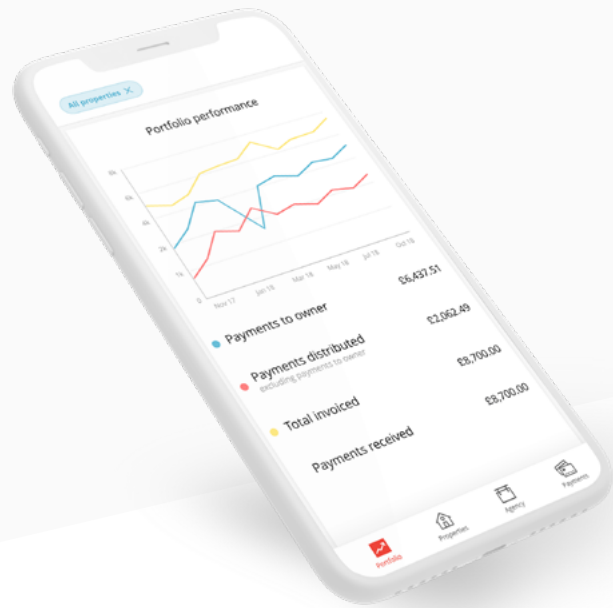

Clear reports, tax statements and Owner App access

Receive a wide range of reports for any date range.

Owner App

See everything that happens on any of your properties in real time and at your fingertips.

Statements

Get monthly and annual statements that show where every penny went on each of your properties.
