## TERMS AND CONDITIONS:

- Format:** In our classes, we are normally working towards putting on a show. As well as rehearsing the show, we'll be teaching singing, acting and performing skills and techniques, which will help children feel confident in all situations, both on and off stage, as well as giving them vital skills that will benefit them throughout life.
- Shows:** Panda All-Stars kids can all be in our annual show. Casting will be decided by the Directors. Once the casting is decided, we expect members of the cast to learn their lines, songs and choreography in good time — and to be present at rehearsals (unless there is good reason not to be). If a cast member does not learn their lines in good time, or regularly does not attend rehearsals, we will adapt their role accordingly.
- Location and timings:** Classes and rehearsals take place on Saturday afternoon at De Bosuil Cultural Centre (Witherendreef 1, 3090 Overijse). In exceptional circumstances, there may be occasions when the class venue differs; these will be notified well in advance. For a few weeks in the run-up to the annual show, the timings of classes may also vary to allow the whole company to rehearse together. In the last few weeks leading up to the show, there may also be (a very few) Sunday rehearsals.
- Behaviour:** We want our theatre classes to be great fun, informal and friendly for all the kids involved. Drama is high spirited and we encourage that. We don't allow disruptive behaviour, though, and we have zero tolerance for bullying.
