

Serial No:	Day Wise Topic
DAY : 1	<ul style="list-style-type: none"> Introduction to CADDESK, Mechanical CAD/CAM/CAE Software, Basic Layout CREO and its uses, Advantages.
DAY : 2	<ul style="list-style-type: none"> Interface of Creo, Mouse function, Basic commands (Save, Open, Import, Export, Manage file.)
DAY : 3	<ul style="list-style-type: none"> Sketch (Sketching, datum, Cons. Mode)
DAY : 4	<ul style="list-style-type: none"> Sketch (Editing, Constraint, Dimensions, Inspect.)
DAY : 5	<ul style="list-style-type: none"> Part(Plane setting , Extrude,Revolve,Round ,Chamfer)
DAY : 6	<ul style="list-style-type: none"> Part (Shell, hole , Rib)
DAY : 7	<ul style="list-style-type: none"> Part (draft, sweep, helical sweep)
DAY : 8	<ul style="list-style-type: none"> Part (Swept blend ,Blend)
DAY : 9	<ul style="list-style-type: none"> Part (Rotational blend,)
DAY : 10	<ul style="list-style-type: none"> Part (Pattern, wrap ,warp tool)
DAY : 11	<ul style="list-style-type: none"> Assembly (Assemble , include, package , flexible)
DAY : 12	<ul style="list-style-type: none"> Assembly (Type drop down)
DAY : 13	<ul style="list-style-type: none"> Assembly (constraints in mechanism)
DAY : 14	<ul style="list-style-type: none"> Assembly (connections drop down, exploded view)
DAY : 15	<ul style="list-style-type: none"> Sheet metal

	(Introduction ,flat , flange, planer ,extrude , twist)
DAY : 16	<ul style="list-style-type: none"> Sheet metal (boundary blend, rip , form)
DAY : 17	<ul style="list-style-type: none"> Sheet metal (form , corner relief , conversion)
DAY : 18	<ul style="list-style-type: none"> Sheet metal (bends , split area , offset)
DAY : 19	<ul style="list-style-type: none"> Surface (Introduction ,Bends , rotational bends)
DAY : 20	<ul style="list-style-type: none"> Surface (fill , merge , thicken, offset)
DAY : 21	<ul style="list-style-type: none"> Surface (revolve,blend,project, merge)
DAY : 22	<ul style="list-style-type: none"> Surface (wrap , collapse , split surface)
DAY : 23	<ul style="list-style-type: none"> Surface (boundary blend ,fill , style , freestyle)
DAY : 24	<ul style="list-style-type: none"> Drafting (introduction , Various model views)
DAY : 25	<ul style="list-style-type: none"> Drafting (Annotations ,geometric tolerance)
DAY : 26	<ul style="list-style-type: none"> Drafting (surface finish symbol ,notes, unattached notes , leader)
DAY : 27	<ul style="list-style-type: none"> Drafting (creating tables , BOM)
DAY : 28-29	<ul style="list-style-type: none"> Drafting (generating balloons & doubts clearing)
DAY : 30	<ul style="list-style-type: none"> Minor project
DAY : 31-35	<ul style="list-style-type: none"> Major project
