

THINGS TO BRING

YOU'RE ABOUT TO EMBARK ON AN ADVENTURE OF A LIFETIME!

Alaska is a land of tempestuous weather, breathtaking views, and memories waiting to be made. We encourage you to be prepared for the unexpected to ensure your comfort and safety on your adventure. Below is a list of recommended items to bring on the boat:

- Valid fishing license and ID
- Chest waders OR hip boots (you're going to get in the water and wet socks suck)
- Layered clothing (prepare to start off cold and possibly end up hot)
- Rain jacket (just in case Alaska decides to water herself)
- Gloves (cold fingers make for poor fishing)
- Sunglasses (our sunshine is sometimes blinding)
- Hat
- Snacks, drinks, lunch (no bananas - we want to catch fish!)
- Cash and a credit card (parking fee is \$5.00 and only accepts credit cards)
- Charged phone and/or camera to capture your memories
- Sunscreen and bug spray
- Small backpack or bag to hold all the above listed

LOOKING FORWARD TO FISHING WITH YOU!
