Bb Gm Dm F (Rit)

Thank You Lord, for be - ing the light which shines in our lives.

Bb Gm C (Rit) To Chorus

Thank You Lord, for be - ing our hope, hope for a new life.

Background Story: This song was written to help people recover from the isolation and fear that the Covid 19 pandemic caused. During the middle of the pandemic, I felt like I was isolated and trapped in a dark cave. I longed to come out of the cave into the warm sunshine light. And thus was born the song, "Into the light" - we are coming out of darkness into the light.
