

Notice of Changes Due To Covid-19

Please be patient as we work through this challenging time. The health and safety of both our clients and stylists is our primary concern. We will be following the Guidelines for Hair & Nail Salons by the Wisconsin Economic Development Corporation. The following are changes that our clients need to be aware of prior to showing up for their appointment:

- If you have a cough, fever, or have been around anyone exhibiting these symptoms within the past 14 days, or live with someone who is sick, PLEASE DO NOT COME INTO THE SALON.
- We are limiting the number of clients in the salon. Clients will need to wait in their vehicle until we call/text to come in for your scheduled appointment. Guests, children, and spouses will not be allowed to wait in the salon during your appointment.
- We will be practicing social distancing between clients.
- Stylists and clients will need to wear a mask at all times while in the salon. Please bring a mask if you have one. Masks will be available if you do not have one.
- Our beverage bar will not be available at this time. Please bring your own beverage if you would like one.
- Nail clients will be asked to thoroughly scrub their hands and nails before the nail service is performed.
- It will take extra time between clients to clean and sanitize each station. Please be patient.
