## TRADING & SERVICES OF ENGINEERING AND INDUSTRIAL PRODUCTS

- Instrumentation, Process Control
- Piping Solutions
- Level, Flow Control, Testing & Measuring Instruments
- Hydraulics & Pneumatics
- Professional Tools, Power Tools
- Machines & Equipment
- Consumables
- Lifting
- Safety Solutions
- Electrical & Electronics
- Pumps, Motors, Power transmissions
- Lubricants

## INTRODUCTION

It's our pleasure to welcome you to **Salasel Engineering Solutions LLC (SES)** – the one stop supply house of specialized products and accessories in Piping, Instrumentation, Hydraulics and Pneumatics, Machine and Equipment, Welding, Lifting, Safety, Tools and Other engineering related products.

By combining experience, knowledge of local industrial requirements, practices and appreciation from our customer base, we service the customer in the best possible way. With the ongoing and phenomenal infrastructural development in the Sultanate of Oman, **SES** aims to complement its best skills and expertise in state of the art engineering products and services.

Our products are tailor made for Oil & Gas Sector, Infrastructure, EPC's, Ministries, Specialized Greenfield & Brownfield Projects, etc.

### INSTRUMENTATION, PROCESS CONTROL

Tubing, Manifolds, Regulators, Fittings, Valves & Filters, Couplings, Manifolds Etc.

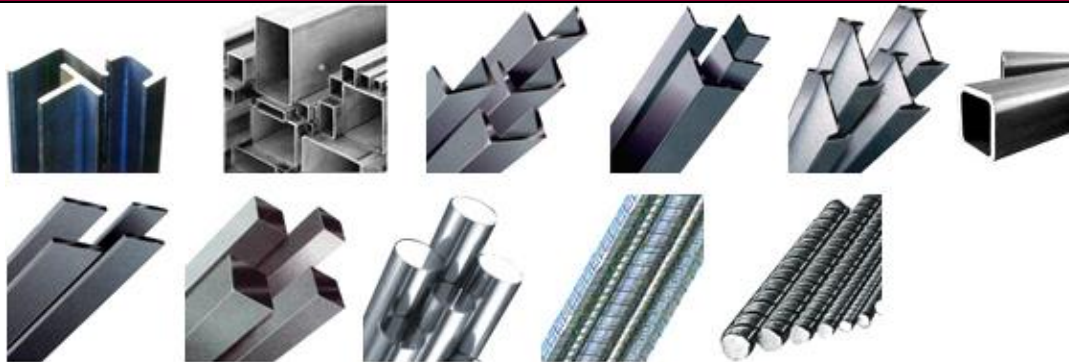

### PIPING SOLUTIONS

- Pipes
- Fittings
- Flanges
- Valves
- Pipe supports
- Fasteners
- Gaskets etc.

### STEEL PRODUCTS: Angles, Channel, Bar, Sheet, Plate, Beam etc.

### LEVEL, FLOW TESTING AND MEASURING INSTRUMENTS

Gauges, Switches, Transmitters, Accessories for – Pressure, Flow, Temperature, Level.

Leak Tester, RTD Sensors, Tachometer/RPM, DP Gauge, Dial Gauge, Multimeter, Micrometer, Vibration Tester, Vernier Caliper, Safety Relief Valve, Coating Thickness Gauge, IR Thermometer, Lux Meter, Sound Meter, pH Meter, Anemometer, Gas Analyzers, Detectors, Hardness Tester, etc.

## HYDRAULIC

- Hoses
- Fittings & Adapters
- Quick Connect
- Couplings
- King Combination Nipples
- Chicago and Camlock Couplings
- Hammer Unions
- Clamps & other accessories

## PNEUMATICS

- Hoses
- Filters
- Tools
- Push Fittings
- Solenoid Valves

## TOOLS, POWER TOOLS

**Hand Tools** : Wrenches, Pliers, Screwdrivers, Hammers, Blades, Chisels, Punches, Snips, Measuring Tools, Clamps, Chain Blocks, Lever Hoist, etc.

**Power Tools** : Machines for Drilling, Grinding, Cutting, Polishing, etc.

## MACHINES & EQUIPMENT

- Compressors
- Drill machine
- Industrial fan
- Compactor
- Generators
- Air blower
- Concrete vibrator
- Concrete mixer
- Welding machines

## CONSUMABLES

Metal Drill Bit, Wood Drill Bit, Concrete Drill Bit, Masonry Drill Bit, Multipurpose Drill Bit, Hammer Drill Bit, Hole Saw, Jigsaw Blade, Chisels, Diamond Cutting, Steel Cutting Disc, Steel Grinding Disc, Polishing Disc, Buffing Disc, Grinding Wheel, Wire Brush, Grinding Stone, Circular Saw, Router Tool Bit, Drill Stand, Keyed Chucks, etc.

Nails, Ropes, Brushes, Mesh, Shade Net, Spare Paints, Buckets, Polythene Sheets, Wheel barrow, Tarpaulin Sheet, Cotton Rags, Castor Wheel, Teflon Rod, Gland Packing, Oil Measuring Tapes, Oil and Water Finding Pastes, Graphite pastes, powders & Flakes, Marine Lubricants, Pastes & Epoxy, Insulation Foam Sheet & Adhesive Foam Tape, Teflon rod, sheet, etc.

## LIFTINGS

Winch, Hoist, Chain block, Lever block, Shackle, Lifting slings, Ratchet sling, Pulley, Lifting hook, Wire rope, Pallet trolley, Drum lifter, Magnetic lifter, Jack, trolley

## SAFETY

Head Protection, Spill pallet, Lock out kit, Hand Protection, Eyewash station, Absorbent Pads, Body Protection, Escape hoods, First Aid kit, Foot Protection, Mega phone, Fall Arrest protection etc.

## ELECTRICAL & INSTRUMENTATION SPARES

- Power/Communication Cables & Wires.
- Cable Management Systems- PVC, Steel Conduit and Trunking Systems, Cable Trays, Ladders And Steel Supports, Floor Distribution Systems, Cables Glands/Lugs/Connectors/Cleats, Cable Jointing, Cable Accessories & Tools, Wiring accessories etc.
- Lamps, Lighting & Lighting Controls.
- Switchgear Components.
- Earthing & Lighting Protection, Ventilation Systems, Testing & Measuring Equipment, etc.

## ELECTRICAL PANEL

**Power Panels** : Main Distribution Bords / LV Panels, Sub Main Distribution Board, Consumer Distribution Board, Auto Main Failure Panels, Synchronizing Panels, Feeder Pillars, Street Lighting Control Panels, Metering Panels, Automatic Power Factor Correction, Capacitor Bank Panels.

**Control Panels** : Motor Control Centers, Pump Control Panels with Conventional, Soft Starters, Variable Frequency Drive, Air Handling Unit, Air Conditioning Control Panels, PLC Panels, and Instrumentation Panels.

## PUMPS & MOTORS

- Water Pumps, Oil Pumps, Drum Pumps etc.
- Motors, Gearbox etc.
- Power transmission: Pulley, Chain, Blocks, Bearing, Seal, Sprocket etc.

#### LUBRICANTS

- Engine Oil
- Transmission Fluid
- Automotive Gear Oil
- Greases
- Marine System Oil
- Transformer Oil
- Hydraulic Oil
- Aviation Lubricants
