Performers Bio

Alex Clark is a dedicated and versatile solo acoustic artist with a unique style that blends folk, country, punk, and rock.

Known for her original compositions and eclectic covers, Alex brings a stripped-back, emotionally resonant performance that captivates audiences. Her extensive experience playing at various venues, from bars and pubs to weddings and wineries, showcases her adaptability and wide appeal.

Alex's talent has earned her the opportunity to support notable acts such as Mental As Anything, Jack Billmann, The Rolling Stones Show, Gwyn Ashton, and The Beatles Show.

Additionally, she is involved in Musician and Venue Entertainment (MUVE) management, working alongside venues and fellow musicians to foster positive relationships and ensure quality music is valued and represented. Alex's commitment to creativity, diversity, and continual growth makes her a standout artist in the music scene, consistently delivering memorable performances that resonate with diverse audiences.

Need to hear more...

Working with Alex and MUVE in a new venue has been a breath of fresh air. Alex has built a strong regular music base for us while also sourcing great new acts. The extra work for our managers in entertainment has been handled by Alex giving us time to focus on service and develop the overall experience live music has to offer in our venue.

Alex is responsive and is well and truly a member of our team. From performing to scheduling, Alex has the contacts to make your venue jump!

If you are looking to develop or enter into the live music scene, look no further than MUVE!
