**Re: Request for Approval to Prepare Site Plans**

Dear Jamie Martelle,

Thank you for submitting the required information regarding your request for approval to prepare site plans under the *Aggregate Resources Act* and Regulation 244/97.

The ministry has reviewed the submission in support of the above noted request, as outlined in Policy A.R. 2.00.01. As a part of this review, staff have considered whether the information submitted demonstrates the required cartographic and surveying skills, as well as an understanding of pit and quarry operations, rehabilitation techniques and aggregate resource management concepts, such as sequential land use, that are necessary to prepare site plans.

I am pleased to inform you that your request to prepare site plans under Section 0.2(3) of Regulation 244/97 is approved.

Should you have any questions please contact [ARAApprovals@ontario.ca](mailto:ARAApprovals@ontario.ca).

Sincerely,

*M. Larochelle*
