List Waist: Please take all measurements in clothing you will be wearing while wearing the chinks, or chaps. Jeans, boots, belts, etc. Waist: Please measure around your body (in inches), the area where you will be wearing the chinks, or chaps. Our patterns are meant to be worn low under the belt. If you measure too high, your chinks, or chaps, will not fit correctly. Also, please do not give us pant size. This measurement Body Length: is not accurate, and does not help in fitting. **Upper Leg:** Upper Leg: Please measure in inches around your upper thigh, preferably right under your butt cheek. Lower Leg: Lower Leg: Please measure just above you knee for bottom leg strap. **Body Length:** Please measure down the outside of your leg from the point of hip (where you measured your waist) to under your knee where you would like your body to end. Fringe Length: Please measure from the stopping point of your body length to where you would like your fringe to end. Fringe Length: For Shotguns or Full Zip Leggings Only Ankle: Ankle: Please measure around your ankle while wearing, pants, boots and spurs.

Please know that we will build according to these measurements. Please sign here to insure these measurements are accurate to the best of your knowledge, and we will not be held liable for incorrect measurements. Thank you ELC.
