### ORDER CARE

- Cakes/ orders should be placed on a Non skid Mat in the passenger's car floor or an empty car trunk.
- Drive carefully as cakes are delicate and can easily damage when on transit.
- Don't leave order in a hot car.
- When carrying the cake, lift carefully from the bottom with both hands holding the cake drum.
- Do not tilt.
- When you arrive at your location, cakes must be kept in a cool room/ room temperature.
- Do not refrigerate fondant covered cakes or leave under direct sunlight.
- Goods that needs to be refrigerated will be specified.
