Applications must be submitted no later than 72 hours before an ARC meeting to assure that they can be processed at that meeting. Submissions less than 72 hours may experience delays in processing.

If you have any questions about this form or what is required for your project, please contact Tallfield at 561-983-6000

A. Brief Description: In the space below and if more space is needed use a separate sheet, describe the alteration, improvement, addition, or other changes you would like to make to the exterior of your home (to avoid delays, be as clear as possible). Please include such detail as the dimension, materials, color, design, location, and other pertinent data. PLEASE PRINT OR TYPE.

B. Please attach to this application the following items (see also attachment 1):

- _____ Property survey showing the location of the improvement
- _____ Plans, elevations, or detailed sketch
- _____ Paint color chip (where applicable)

C. If applying to install a fence, if this is intended to screen a boat, RV, watercraft, etc. YES / NO

D. If yes to question C, please state the dimensions (including height) of your boat, RV, watercraft, etc
Length _____ Width _____ Height _____

- If applying to install a fence to screen a boat, RV, watercraft etc., approval by ARC does NOT imply approval that the fence is sufficient to screen it. Once completed, ARC is to be informed so that it can be deemed sufficient by way of ARC inspection to make sure that it is compliant with our governing documents.
- If you install a fence and later wish to use it to screen a boat, RV, watercraft, etc., a further application to ARC must be made so an inspection can take place.

HOMEOWNER AFFIDAVIT

I have read, understand, and agree to abide by the Covenants and Restrictions of our Association. I understand that in some cases the restrictions of our Association are more restrictive or constraining than those of Palm

Beach County and that when more restrictive the Association's Covenants and Restrictions prevail. I also understand and in return for ARC approval I agree to be responsible for the following: For all losses caused to others, including common areas, because of this undertaking, whether caused by me, or others.

- To comply with all state, county, and local building codes.
- For any encroachment(s).
- To comply with conditions of acceptance (if any).
- To complete the project according to the approved plans. If the modification is not completed as approved, said approval can be revoked, and the owner shall remove the modification at the owner's expense.
- Applicant further acknowledges that drainage swales have been designed and established between homes (side yards) to carry stormwater off the lot and to maintain positive drainage away from the home. The Association shall not be responsible for any effect proposed landscaping installations may have on this drainage. The applicant shall be responsible.

I also understand that the ARC does not review and assumes no responsibility for the adequacy, capacity, or safety features of the proposed construction, alteration, or addition, for soil erosion of uncompactable or unstable soil conditions for mechanical, electrical, or any other technical design requirements for the proposed construction, alteration, or addition, or for performance, workmanship, or quality of work of any contractor, or of the complete alteration or description.

I agree to abide by the decision of the Architectural Review Committee or the Board of Directors. If the modification is not approved, does not comply with the project identified in this request, or a project is started without prior written approval, I may be subject to fines or court action by the Association. In such an event, I shall be responsible for all reasonable attorney's fees incurred by the Association.
