Dear Christine and Gregori:

On behalf of Voices for Children of Broward County, we gratefully acknowledge your participation in the Holiday Wishes Campaign and your recent donation of \$300.00 worth of toys. Because of your generosity, we are able to further our mission on bettering the lives of children in the foster care system. Without champions, advocates, and supporters like you, our work simply would not be possible.

Here at Voices for Children of Broward County, our goal is to make sure that every abused, neglected, and abandoned child in Broward County has a court-appointed Guardian ad Litem and that financial resources are available for each child's accompanying health, educational, and social needs. To accomplish our mission, Voices works with children who have an open and active dependency court case to meet each of their essential needs during this transitional period and to give them a voice throughout the entire court proceedings by working with the appointed volunteer Guardian ad Litem.

I applaud your commitment to making better happen each and every day for our children. Your gifts have made a real difference in the lives of the children we serve. It is truly magical to see the joy and pleasure the children get from receiving holiday toys.

Thank you from the bottom of our hearts for giving our children an opportunity to dream big!
