Christine Estime and Gregori Estime
Beacon for Hope

Dear Christine and Gregori,

We would like to express our deepest gratitude to you for the thoughtful contributions for our Holiday Wishes Campaign. Without champions, advocates and supporters like you, our work simply would not be possible.

Here at Voices for Children of Broward County, our goal is to make sure that every abused, neglected, and abandoned child in Broward County has a court-appointed Guardian ad Litem and that financial resources are available for each child's accompanying health, educational, and social needs. To accomplish our mission, Voices works with children who have an open and active dependency court case to meet each of their essential needs during this transitional period and to give them a voice throughout the entire court proceedings by working with the appointed volunteer Guardian ad Litem. While we served over 2,100 children last year, the sad fact is there are still over 3,200 children in the care of the State, in Broward County, who have removed from their home to due to abuse or neglect.

With your gifts, you have helped some many young people this Holiday Season/Your gifts have made a real difference in the lives of the kids we serve and they will help us continue in our mission and to assist those in our community.

On behalf of the children we serve, thank you.

Kind regards,

Erica Herman
Executive Director
