

## Hawks Nation Monogram Club Membership Options (2022-2023)

In the inaugural year as a Hawks Nation Monogram Club member, you will be helping teams fund critical equipment needs, celebrating all athletes, building school spirit & community all while making history at Seaforth High School. **Every dollar we receive goes directly into the programs.** In our very first year (2021-22), Hawks Nation raised over \$120,000. Our raised funds paid for our first ever JV & Varsity letters, athletic pins, awards, founding member banners, campus signs, athletic sport programs, concession items, our mascot & \$30K into our reserve fund for future uniform replenishment & refurbishing needs. Our goal is to continue to create traditions, build school unity & to give our athletes the best athletic opportunities in Chatham County. We have options for everyone to cheer on the Hawks. Be a part of the Hawks Nation Monogram Club!
