# U8 RULES

**4 v 4**  
players on the field

**#3**  
ball size

**10**  
minute quarters

Full FIFA rules apply, other than those noted here.

If a player is injured and the game is stopped, the game will be restarted with a free kick for the team that had the ball when the game stopped.

No goalies or goal tending.

Coaches are allowed on the field during games to encourage kids to participate.

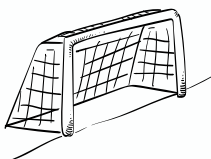

Headers should not be used or taught.

Substitutions allowed at the quarters, or for an injury.

Offside ruling not used. If a player is staying in an offside position and a goal is scored because of this, the goal will not be counted. An indirect free kick will be taken from the point of the incident.

If the ball goes out of line at the end line and depending which team kicked it out, it is either a goal kick or a corner kick.

Fouls (tripping, hand ball, pushing, and slide tackling) are not allowed. If they occur, an indirect free kick will be taken from the spot of the foul, and must touch another player before it can go in the net. If the foul occurs in the box in front of the goal, the ball should be placed outside of the box and a free kick taken from that point. No penalty kicks will be taken.

If the ball goes out of bounds on the sideline, the other team will throw it in from where it went out. A proper throw in: both feet planted, both hands on the side of the ball, and the ball must come straight back behind the head. If not thrown in properly, player is given a second chance. If incorrect throw in a second time, the other team gets the ball.
