

THE FEMALE CEO CLARITY CHECKLIST

10 Signs Your Business Needs a Strategy Reset

Be honest with yourself. Check every statement that applies to your business RIGHT NOW.

THE 10 SIGNS

- 1 I feel busy every day but I'm not seeing real progress.**
→ *You need clarity — not more tasks.*
- 2 My revenue is inconsistent month to month.**
→ *You need a revenue strategy, not just hustle.*
- 3 I don't have a clear plan for where my business is going.**
→ *Vision without a roadmap stays a dream.*
- 4 I'm doing everything myself and I'm exhausted.**
→ *You need systems and boundaries — fast.*
- 5 I struggle to explain what I do and who I serve.**
→ *A clear message attracts the right clients.*
- 6 I have goals but no real strategy to achieve them.**
→ *Goals without execution plans don't move.*
- 7 I avoid looking at my numbers.**
→ *Financial clarity is your power, not your problem.*
- 8 I feel stuck but I don't know why.**
→ *A strategy reset reveals the blind spots.*
- 9 I started for freedom but feel trapped.**
→ *Your business should work for YOU.*
- 10 I know I need help but haven't taken the step.**
→ *That step is exactly what changes everything.*

If you checked 3 or more — your business is calling for a strategy reset.

You don't have to figure this out alone. That's exactly what I'm here for.
