Mayor Report:

There has been progress at the Ballpark Playground thank to all the 60+ town volunteer efforts.

3rd Street flooding is constant with rain and needs culvert fixed. The Town is applying for a King County Flood Grant.

There is a proposal to add another restroom at the Ballpark but the Town would need a Geotech survey for \$3,000. Mayor is looking for Council approval for survey funds. The Ballpark is in unincorporated King County so we would have to apply for permitting.

Police Services Study Contract: Moved to July meeting.

Ballpark Bathroom Proposal: Moved to July meeting.

Q1 Reporting: Received and reviewed by Council.

Update by SCI:

The Water Trail Coalition is now named Water Recreation Coalition out of Snohomish County. The trail goes through Skykomish River, Snohomish River and Puget Sound. The WRC would like to use Park board's recommendations, have 3 Skykomish locals, use grants for signage plan. Outdoor Adventures is very active. The Sierra Club would like to volunteer. This Saturday is the annual Maloney Creek Trail Creek Clean-up.

With no further business, the meeting adjourned at 5:55pm. Council Member Todd Brunner motioned to adjourn, Council Member Henry Sladek seconded, all in favor.
