Special meeting of the Skykomish Council, March 19, 1951.

This special meeting was called to order by Mayor Handy for the expressed purpose of determining ways and means for financing the Town's contributing share of the Skykomish river flood control project.

Councilmen present: Thompson, Stanton, Pasley.

Mayor Handy advised the members of the council present that after conferring with an attorney in Everett that he was of the opinion that the town should sell their \$5,000. in Aberdeen Bonds to finance the flood control project rather than issue General Obligation Bonds. He explained that these bonds should bring around fifty five or fifty six hundred dollars at this time.

A motion was made by Councilman Stanton and seconded by Councilman Thompson that the Town sell their five one thousand dollar Aberdeen Water Bonds on the open market and that the money derived from the sale of the bonds be used as the town's contributing share of the Skykomish River flood control project. This motion was carried by an affirmative vote from all councilmen present.

A motion was made by Councilman Thompson and seconded by Councilman Pasley that the Mayor, Treasurer and clerk go to Everett and withdraw the Aberdeen Water Bonds and make arrangements for the sale of the bonds. This motion was passed by an affirmative vote of all councilmen present.

Being no further business a motion to adjourn was made by Councilman Thompson and seconded by Councilman Stanton. Motion passed by a vote of all councilmen present.

Meeting adjourned.

January 14, 1953.

This meeting was called to order by Mayor Bishop.
Councilmen present: Anderson, Roberts, Maloney, Pasley, Thompson

This special meeting was called for the express purpose to have the Council go over the garbage and water accounts to determine if all accounts are paying the correct rates.

The Council went over all accounts and instructed the clerk to mail a copy of the new water ordinance to each account along with with his new rate.

A letter was read from Mrs. Mitchell whereby sh objected to having her place classed as a rooming house. She advised that she had no roomers at the present time. The clerk was instructed to answer her letter by advising her that if she has no roomer and does not intend to take in roomers to please disregard the statement mailed to her. However, if she does take in roomer the rate under the ordinance will apply.

It was suggested by the Council that the new water rates be taken up with Mr. Carter, Great Northern Roadmaster, and that an itimized statement be furnished the Great Northern.

The subject of rates for the School were discussed. It was decided that the flat school rate be left as it is and that the school storage garage, Mr. Rhodes' house and the teachers cottage each be billed for \$2.00 per month making a total of \$14.25 monthly for the school district.

The water committee decided to go over the new water rates with the U. S. Forest Service and make a survey of any new outlets on their property.

Being no further business a motion to adjourn was made by Councilman Thompson and seconded by Councilman Anderson. Meeting adjourned.

Mr. & Mrs. Daugaard were present at this meeting to request that the town extend a water line into their property where they have some cabins. They advised the council that at the present they have three cabins and intend to build two more which with the Smith property in the same area would make six houses which would be served. Mayor Bishop advised that the water committee would investigate the matter and report back to the next meeting regarding the feasibility of extending the line.

A motion was made by Councilman Roberts and seconded by Councilman Anderson that the town sell the old ceiling lights from the city hall for \$5.00. This motion was carried by a vote of all councilmen present.

The third and final reading of proposed ordinance #101 was read by the clerk. Being no protests a motion was made by Councilman Anderson and seconded by Councilman Roberts that the ordinance be adopted. This motion was passed by a vote of all councilmen present.

A motion was made by Councilman Thompson and seconded by Councilman Anderson that this meeting be recessed until 7:30 p.m. Thursday June 4th so that members of the council might attend the Graduation exercises. This motion was passed by a unanimous vote of the council. Meeting recessed.

The meeting was reconvened at 7:30 p.m. June 4th with all members of the council present.

Councilmen elect Anderson and Isackson were duly sworn into office as required by law by the clerk.

Mayor Bishop advised the council that a practice air raid alert would be held on Saturday June 6th at 8:30 a.m.

Councilman Pasley suggested that the clerk write the State Hiway Department requesting that they seal coat the city streets at the time that they are in this vicinity seal coating the state hiway. Mayor Bishop requested that the Street committee make a survey as to the amount of seal coating necessary and advise the clerk before the letter is written to the State.

Mayor Bishop reported for the committee which went to Monroe to inspect the fire truck which the Town of Monroe has for sale. It was the opinion of the committee that this piece of equipment is suitable for the needs of the Town of Skykomish and that the price of \$1,000.00 is very reasonable.

A resolution was presented by Councilman Anderson creating an emergency and authorizing the purchase of a used fire truck from the town of Monroe, Washington without the calling for bids. This fire truck is badly needed by Skykomish and as Monroe is selling the truck to make room for a new piece of equipment there is insufficient time to call for bids. A motion was made by Councilman Thompson and seconded by Councilman Pasley that this resolution be adopted. The motion was passed by a unanimous vote of the council.

A motion was made by Councilman Isackson and seconded by Councilman Anderson that the Town purchase a used chevrolet Fire Truck from the Town of Monroe for \$1,000.00 and to be financed from any funds available, and further authorizing the Mayor and the clerk to make arrangements for the purchase. This motion was passed by a unanimous vote of the Council.
