A letter from the U. S. Corps of Engineers was read by the clerk regarding the dyke project, stating that the Engineers would refer the project to higher authority in Washington.

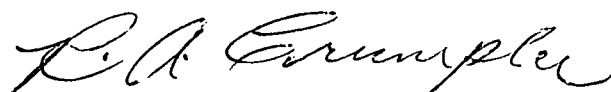

Mr. Groope presented a petition regarding the flood condition on the lower end of Skykomish on the old Steven's Pass Highway. Mr. Groope advised the council that the signers on this petition wanted action.

A motion was made by Councilman Hattenburg and seconded by Councilman Freestad that a resolution be adopted requesting a 10 mill extra levy for flood control purposes be voted on at the town election on March 8th, 1960. Motion carried.

The council authorized Mayor Crumpler to proceed and obtain the necessary material for the new bridge over Maloney Creek in Skykomish.

Being no further business a motion to adjourn was made by Councilman Thompson and seconded by Councilman Hattenburg. Motion carried.

Mayor

Clerk

Regular Meeting of February 3rd, 1960

This meeting was called to order by Mayor Crumpler.
Councilmen present: Richards, Freestad, Hattenburg,
Thompson.

Minutes of the previous meeting were read and approved.
Current bills were read and ordered paid.

A letter was read from Valley Farm Equipment Company regarding sale of A.C. Grader-Loader and quoting prices to the town of \$1,400.00 less \$500.00 trade in on old loader and can be purchased on twenty-four months contract at a price of \$45.38 per month.

A motion was made by Councilman Freestad and seconded by Councilman Hattenburg that the town accept the purchase plan from Valley Farm Equipment and purchase the used A.C. Mod. W. Grader-loader at a price of \$1,400.00 less trade in allowance of \$500.00 for the city Case loader and to be purchased on contract at 45.38 per month for 24 months. This motion was passed by a vote of all councilmen present.

The council took under advisement delinquent water accounts presented by the water collector. The council advised the water collector to notify delinquent accounts to pay up or have their water shut off.

Being no further business a motion to adjourn was made by councilman Richards, seconded by Councilman Thompson. Motion carried.

Mayor

This meeting was called to order by Mayor Crumpler. Councilmen present: Richards, Freestad, Hattenburg, Thompson. Minutes of the previous meeting read and approved. Current bills were read and ordered paid.

A letter was read by the clerk from the Valley Farm Equipt. Co., of Monroe regarding prices on thier A.C. Grader and Loader. They quote a price of \$1,400.00 less \$500.00 for the old city case loader making a net price of \$900.00 for the grader. This grader can be purchased on a rental purchase plan for \$45.38 for 24 mos.

A motion was made by Councilman Freestad and seconded by Councilman Hattenburg that the town purchase A.C. Grader-loader from Valley Farm Equiptment Co. at a price of \$1,400.00 less \$500.00 trade-in for City Case loader. Town to purchase said grader on a rental-purchase contract through 1st. Nat'l bank of Monroe at \$45.38 per month for 24 months. This motion was carried by a vote of all councilmen present.

The council took under advisement delinquent water accounts that were presented by the water collector. The council directed the collector to advise these delinquent accounts to pay up or have their water shut off.

Mayor Crumpler advised the council that Wes Williams would put a D-8 Cat in the river and ~~excavate~~ dredge the river while pushing up rock for bank protection where the flood damage was at the lower end of town. The council directed the clerk to draw up an emergency resolution authorizing the expenditure of approximately \$1,000.00 for this work. When the 1960 budget was made up no provision for flood control expenditures were made ~~was~~ as this flood damage was done during November and December of 1959.

Being no further business a motion to adjourn was made by Councilman Richards and seconded by Councilman Thompson. Motion was carried.

Joe Gossic and Jack Edgar were present at this meeting and inquired regarding the sale of 4" wood pipe which the town has in stock. Mayor Crumpler advised them that the town would need this pipe for an extension of the milltown line.

A letter was read from the U.S. Army Engineers regarding the flood control project. It was suggested that the clerk write the Engineers and suggest building a by-pass channel and using scheme #2 of their suggestions.

It was suggested that the clerk write the Department of Conservation requesting information if the state can help out on our flood control project.

The clerk was directed to write to the Great Northern regarding the availability of the Sub-Station building.

Mayor Crumpler advised the council that Wes. Williams would put a D-8 Cat in the river and dredge the river while pushing up rock for bank protection where the flood damage cut out the bank at the lower end of town. The council directed the clerk to draw up an emergency resolution authorizing the expenditure of approximately \$1,000.00 for this work. When the 1960 Budget was made up no provisions for flood control expenditures were made as this flood damage occurred after the budget was passed.

Being no further business a motion to adjourn was made by Councilman Richards and seconded by Councilman Hattenburg. Motion Carried.

The matter of construction of the Maloney Creek Bridge was discussed by the Council. Mayor Crumpler advised the council that lack of piledriver guides was now holding up construction, and that all of the material was at the site. It was suggested that the clerk contact the County to see if they have piledriver equipment that the town could borrow or rent.

Mayor Crumpler advised the council that an extra length of thirty inch culvert may have to be installed for Gibsons driveway or his driveway raised when the bridge fill is finished.

A motion was made by Councilman Hattenburg and seconded by Councilman Thompson that May 16th to 20th be proclaimed as Clean-up week. This motion was carried by a vote of all councilmen present.

Collector Pasley reported on dog license collections. He stated that if this ordinance was not enforced so that all dog owners were forced to purchase licenses he would have to return the money to those few who did purchase.

Councilman Freestad advised that the Puget Sound Power Company wished to change a power pole in front of Hipps from the gutter to the edge of the walk. Permission granted by the street committee.

Mayor Crumpler advised that the Ideal Cement Co. would furnish cement to build a kitchen at the ball park.

Being no further business a motion to adjourn was made by Councilman Richards and seconded by Councilman Thompson.

A request was made by Mrs. Ted Ryder to use the city hall on Monday mornings during school vacation for the accordian class lessons. She advised that there would be an adult with the children at all times. A motion was made by Councilman Hattenburg and seconded by Councilman Thompson that the hall could be used on Monday mornings for the music class as long as an adult is present at all times. This motion carried by a vote of all councilmen present.

A motion was made by Councilman Thompson and seconded by Councilman Hattenburg that a letter of thanks be written to all who helped out on the new bridge both with labor and materials. This motion was carried by a vote of all councilmen present.

Mayor Freestad appointed Councilmen Thompson and Hattenburg as a rominating committee to find a new councilman to fill the vacancy on the council and to report back at the July Meeting.

Mayor Freestad requested permission to purchase or borrow eight feet of 30" concrete culvert pipe. A motion was made by Councilman Thompson and seconded by Councilman Hattenburg authorizing the purchase of 8'x30" concrete pipe, providing that the pipe will not extend beyond the street right-of-way. This motion was carried by a vote of all councilmen present.

Being no further business a motion to adjourn was made by Councilman Hattenburg and seconded by Councilman Snell. Motion Carried.

I
Special Meeting, June 7, 1960.

This special meeting was called by Mayor Freestad for the express purpose of determining the price to ask in selling the old city 4x4 truck. This truck was put up for bid last year but the city received no bids on it.

After some discussion as to the condition of the 1942 chev. 4x4 a motion was made by Councilman Snell, and seconded by Councilman Bishop that the Chev. 4x4 truck be sold for \$300.00 as is. This motion was carried by a vote of all councilmen present.

Councilmen present at this special meeting: Hattenburg, Thompson, Bishop and Snell.

Being no further business the meeting was adjourned.

Mayor Freestad advised the council that the oiling job on the streets has been completed and that 1000 gallons of oil was used.

A motion was made by Councilman Hattenburg and seconded by Councilman Thompson that the town pay for 1000 gallons of oil at \$.05 cents per gallon. This motion was carried by a vote of all councilmen present.

Mayor ~~Bishop~~ Freestad appointed all five members of the city council as members on the legislative committee as requested by the Association of Washington Cities.

The mayor advised the council that Ted Kinscherf would furnish \$100.00 toward the cost of repairing the cement sidewalk near his cafe' building. The council decided to investigate this matter and report back at the next meeting.

Councilman Hattenburg advised the council that it may be possible to obtain water from the G.N.R.Y pipe line by contacting the Sup't. The clerk was instructed to write Sup't Strober regarding this matter.

Mayor Freestad asked the council about hiring an extra Marshall when ever necessary.. A motion was made by Councilman Hattenburg and seconded by Councilman Thompson authorizing the hiring of an extra marshall when necessary. This motion was carried by a vote of all councilmen present.

Firechief Hattenburg advised that a wheel bearing is going out on the Chev. Fire Truck and should be repaired. The Fire committee authorized the repair of the fire truck.

Being no further business a motion to adjourn was made by Councilman Thompson and seconded by Councilman Kraus that this meeting be adjourned. Motion carried.

Communications read by the clerk included a letter from the U.S. Army Engrs. in which they gave reasons for turning down the river revetment project. Also a letter from the State Census board advising that the new population according to the Federal Census was 346.

Councilman Thompson advised the council that he had inspected the walk near Kinscherf's property and that he believed that a new walk should be put in. A motion was made by Councilman Thompson and seconded by Councilman Snell that a concrete walk be installed in front of the Kinscherf property and with the property owner standing part of the cost. This motion was carried by a vote of all Councilmen present.

The clerk was instructed to write a letter to Governor Rossellini and candidate Andrews indicating a desire to see their pledge of help to cities carried out if elected.

The clerk was also instructed to write the State Census board in protest against the figure of 346 being used as basis for the towns census.

Mayor Freestad announced that Marshall Hanson was resigning as Marshall as soon as someone else could be located to take the job.

The Mayor advised that Robert Pownell would accept the night marshall work but that he would not be available in the daytime. A motion was made by Councilman Hattenburg and seconded by Councilman Kraus that the town pay Pownall \$60.00 per month for the night Marshall job and pay Hanson \$15.00 per month for taking care of the day marshall duties. This motion carried by a vote of all councilmen present.

A motion was made by Councilman Hattenburg and seconded by Councilman Snell that Mayor Freestad investigate the possibility of paying Supt. Hanson \$345.00 for Sup't Salary, \$15.00 per month for day Marshall and \$60.00 per month for collection the garbage should the town take over the garbage collection. Motion carried by vote of all members present.

Mayor Freestad advised the council that the reservoir should have some fine mesh screen placed around the bottom of the protective wire that is now around the reservoir. A motion was made by Councilman Hattenburg and seconded by Councilman Bishop that the Water Department purchase the necessary screen to place around the reservoir to keep small animals out. This motion was passed by a unanimous vote of the council.

As this meeting was preliminary budget night and the hour was late, a motion was made by Councilman Thompson and seconded by Councilman Kraus, that this meeting be recessed until 7:30 Sept. 12, to complete work on the tentative budget for the year 1961. This motion was carried by a vote of all members present, meeting recessed.

Sept. 12, 1960

Meeting reconvened by Mayor Freestad and work proceeded on the drawing of the tentative budget for 1961. After the budget was brought into balance a motion was made by Councilman Bishop that the First and Second reading as read by the Clerk be adopted as the tentative budget for the year 1961 and that the same be posted according to law and that a date be set for a protest hearing on this budget. This motion was seconded by Councilman Thompson and was passed by a unanimous vote of the council.

A letter from the District Ranger of the U.S. Forest Service was read by the clerk wherein he stated that he did not believe that the charge for installing a culvert for the Forest Service was a just charge. The council instructed the clerk to answer the letter advising the Forest Service that the town would take culvert pipe in exchange for the cost of installing the culvert in question.

Being no further business a motion to adjourn was made by Councilman Thompson and seconded by Councilman Snell. Motion Carried.

Communications read by the clerk included letters from the U.S. Forest Service and the Board of King County Commissioners regarding the flood control project.

Mayor Freestad advised the council that the six inch water pipe line furnishing the mill and mill town with water had a bad leak in it and a by pass had to be install pending repair to the pipe.

Mayor Freestad inquired of the council as to who was responsible for cleaning the flume which runs through Gibsons property. It was the opinion of the council that the property owner should take care of cleaning it.

Councilman Bishop suggested that the city purchase septic tank cement tubes for use as Fire Hydrant boxes. A motion was made by Councilman Bishop and seconded by Councilman Hattenburg that ten cement tubes be purchased for hydrant boxes. This motion carried by a vote of all councilmen present.

Mayor Freestad asked the council about painting the city hall. The council agreed that the building should be painted but suggested that the job be deffered until spring.

A motion was made by councilman Hattenburg and seconded by Councilman Bishop that the Budget of receipts and expenditures for the year 1961 as read by the clerk be adopted, and that the clerk cause same to be published in the Monroe Monitor according to law. This motion was passed by a unanimous vote of the council.

Being no further business, a motion to adjourn was made by Councilman Thompson and seconded by Councilman Hattenburg. Motion carried.

Mr. Jim Morrison and Wes Williams were present at this meeting to discuss methods of completing the dyke project. They made a proposal which included the possibility of King County participating. They advised that they would load out gravel from Maloney Creek for .35 per yard and shot rock from the quarry for \$1.50 per yard of which the County would pay ~~\$.35~~ and the town \$1.15.

A motion was made by Councilman Hattenburg that this proposal be accepted providing the county was agreeable to these terms and if the county would not participate under this proposal that the Mayor be empowered to proceed with the work at the lowest possible cost and not to exceed the cost of the above proposal. This motion was seconded by Councilman Snell and was carried by a vote of all councilmen present.

Mayor Freestad advised that the clerk will notify all dog owners who have not bought 1960 dog licenses that they will be liable under the Town Dog Ordinance.

Mayor Freestad also advised that some of the new hydrant covers have been installed with the balance to be installed upon arrival.

Being no further bussiness a motion to adjourn was made by Councilman Hattenburg and seconded by Councilman Snell.
 Motion Carried.

Mayor *Sig Freestad*

Clerk.

Letters read by the clerk included one from King County Library Board and one from an attorney regarding L.I.D. Dist.

Mr. Art Nelson requested information regarding annexing property across the river into the town of Skykomish. He was advised to present a petition at a later meeting.

Mr. Epping of Snohomish was present at this meeting to explain his plans for construction of a Motel along the river in Skykomish. He advised that he wished to build motel units and a lodge type building for private rooms. He presented his plans and drawings for approval of the town council.

A motion was made by Councilman Hattenburg that the Council go on record to authorize and encourage the development as presented by Mr. Epping, and to grant a permit to Mr. Epping to construct said project. This motion was carried by a vote of all councilmen present.

A motion was made by Councilman Bishop and seconded by Councilman Hattenburg that the Town adopt a Basic Building Code by reference. This motion was passed by a vote of all councilmen present:

The first and second reading of a basic building code for Washington cities was read by the clerk and a protest meeting was set for July 7th, 1961 at which time anyone may speak for or against the passage of said code.

Mayor Freestad advised the council that William Kraus had resigned as a town councilman and was appointed as town Marshall as of June 1st.

Continued next page

Minutes of June 7th, 1961 continued-----

Councilman Bishop and Councilman Snell were appointed to nominate persons who could be appointed to replace the vacancy on the council left by the resignation of William Kraus. They are to report back at the July meeting.

Mayor Freestad advised the council that one side of the Firehall had been shingled by the Sup't. and day labor. He inquired if the council wished to contract the other side. The council suggested that the work be done which ever way was the cheapest.

Being no further business a motion to adjourn was made by Councilman Hattenburg and seconded by Councilman Thompson. Motion carried.

Letters read by the clerk included a letter regarding Civilian Defense, one from the Election Department regarding city elections, and one from the Prosecuting Attorney regarding the new Justice Court Act.

A motion was made by Councilman Hattenburg and was seconded by Councilman Bishop that the town council accept the petition for annexing certain properties north of the Skykomish River into the Town of Skykomish. The clerk is to post notice of public hearing for January 3rd, 1962.

Numbers were drawn for councilmatic positions as required by a new law passed by the last legislature. Dennis McCauslands position will be designated as position no. 1 on the ballot and Councilman Hattenburgs position will be designated as position No. 2. Anyone wishing to file for the council must file in either position No. 1 or No. 2.

Regarding the new Justice Court Act, it was suggested by the council that the town join with the county in maintaining a Justice and Police Court in Skykomish. The clerk is to instruct the Prosecuting Attorney to this effect.

A public hearing was held at this meeting to hear protests against the comprehensive street plan as submitted to the Council by the Street Sup't. As there were no written or oral protests to the plan a motion was made by Councilman Bishop and seconded by Councilman Hattenburg that Railroad Avenue, Old Stevens Pass Road and 5th Street be designated as Arterial Streets in the Town of Skykomish and further that the comprehensive plan for improvements to these arterial streets during the next six years, as presented by the Street Sup't, be adopted and that a copy of such resolution be forwarded to the Director of Highways as required by chapter 195 of the 1961 Session Laws of the State of Washington. This motion and resolution was passed by a vote of all members of the council.

A motion was made by Councilman Thompson and seconded by Councilman McCausland that the Town authorize Puget Sound Power & Light Co. to install 10 vapor lights on Railroad Avenue. This motion was carried by a unanimous vote of the council.

Being no further Business, this meeting was adjourned. clerk: J.G. Henry

A motion was made by Councilman Bishop and seconded by Councilman Richards that \$1,000.00 be paid on the Pacific Water works pipe account. Motion carried by vote of all members present.

Mayor Freestad asked the council regarding the size of the pipe that should be used to pipe water across the bridge. Nothing settled on this at this meeting.

Mayor Freestad advised that the town could purchase 500 feet of 2" gavanized water pipe from the Mill company for 25¢ per foot. A motion was made by Councilman Snell and seconded by Councilman Thompson authorizing the Mayor to purchase this pipe. Motion was carried by a vote of all councilmen present.

The clerk was instructed to write to the County Engineer requesting that a survey be made in the Skykomish Area with the view of setting up a flood control district.

Councilman Bishop advised that Wilson Timpe was going to build a Garage on his property along east Railroad Avenue and suggested that the town install a culvert through this property before he constructs his garage. A motion was made by Councilman Bishop and seconded by Councilman Thompson that this culvert be installed. Motion passed by a vote of all councilmen present.

Being no further business a motion to adjourn was made by Councilman Thompson and seconded by Councilman Snell. Motion carried.

Mayor

Sig Freestad

Clerk.

J. G. Henry

Regular Meeting of April 1963

This meeting was called by Mayor Freestad.
 Councilmen present: Richards, Thompson, Snell, Bishop.
 Minutes of the previous meeting were read and approved.
 Current bills were read and ordered paid.

<u>Current Expense Fund</u>		<u>City Street Fund</u>

Floyd Richards	5.00		

Mr. Harold Hanson and Mr. Earl Gibson were present at this meeting to request that the Town vacate about 50 feet of the North end of 4th street where it joins the river revetment. Mr. Hanson advised the council that he wished to construct a home on this piece of ground next to his Motel. He had a model of the building which he proposed to build and explained his plans to leave room for the town to push snow past the building and into the river. He also advised that he would look into the cost of placing blacktop on the city street which runs past his motel.

The council advised Mr. Hanson to place some grade stakes so that they could tell the location of the building and to contact Mr. Jim McGrath the other adjoining property owner and obtain his views as to the closing of this portion of 4th street.

Being no further business a motion to adjourn was made by Councilman Thompson and seconded by Councilman Snell. Motion carried.

Mr. Harold Hanson, owner of the Skylark Motel, was a visitor at this meeting and explained his views regarding the building which he proposed at the last meeting and to which there seemed to be some objections. He stated that he could still build the proposed building on one-half of the street and improve the remaining east portion of the street in front of McGraths property. It was suggested that Mr. Hanson obtain legal advise regarding the leasing of a street by the city and report his findings to the council.

The clerk was instructed to obtain information regarding the rate reduction on the new Firehall insurance policy and also to thank the county for the repairs made to the revetments.

Being no further business a motion to adjourn was made by Councilman Bishop and seconded by Councilman Thompson. Motion carried, meeting adjourned.

Mayor

Sig Freestad

J. Henry
Clerk.

Regular Meeting of May 1, 1963.

This meeting was called to order by Mayor Freestad.
Councilmen present: Snell, Thompson, McCausland, Bishop.
Minutes of the previous meeting were read and ordered approved.
Current bills were read and ordered paid.

<u>Current Exp. Fund</u>		<u>Water Dept.</u>

The clerk advised the council that the rate reduction on the Fire Hall was due to a general reduction of fire rates on commercial buildings throughout the state.

Mr. Jim McGrath was present at this meeting to protest the closure of the end of 4th Street. He stated that he felt that this street should be kept open and available to the public.

Mayor Freestad suggested that about 150 feet of sidewalk between W. A. Henry's and Floyd Richards be raised about 4" to correct a drainage problem. A motion was then made by Councilman Snell and seconded by councilman Thompson that the street committee be authorized to raise the elevation of the walk between the above mentioned properties. This motion was carried by a vote of all councilmen present.

A motion was made by Councilman Bishop and seconded by Councilman Thompson that the town purchase enough lumber to seal up the back of the firehall building. Motion carried by a vote of all councilmen present.

Being no further business a motion to adjourn was made by Councilman Thompson, and seconded by councilman Snell. Motion Carried.

The council discussed the adviseability of by-passing the second reservoir and drawing direct from the upper reservoir during periods of plenty water with the idea of increasing the water pressure and obtaining a reduction in insurance rates. It was suggested that this be done.

Mayor Freestad advised that the town would rebuild the cement walk along Pasley to Henrys Property to correct a drainage problem.

A motion was made by Councilman Snell and seconded by Councilman Bishop that the town purchase a fire hydrant to be placed in the vicinity of the Richards property. Motion carried by unanimous vote of the council.

It was suggested by the council that the town look into the possibility of laying a 6" water main under the river to serve the new annexed area on the North side of the river.

A motion was made by Councilman McCausland and seconded by Councilman Richards that the town lease land near the garbage dump to the state for a stockpile site. The ground to be leased for a period of two years at \$100.00 per year. Motion was carried by a unanimous vote of the council.

Being no further business a motion to adjourn, was made by Councilman Richards and seconded by Councilman Bishop. Motion Carried.

Mayor Freestad advised that the Forest Service had requested that the town obtain an easement or quit claim to pipe line running across and over Forest Service Property.

Letters read by the clerk included a letter from the Bureau of Business Records, King County Commissioners, association of Washington cities.

Mayor Freestad suggested that if the town intends to put a six inch water line across the river that it would be done within the next few months.

A motion was made by Councilman Snell and seconded by Councilman Richards that the town install a 6" water pipe across the Bridge at the earliest feasible date. This motion was carried by a unanimous vote of the council.

Mayor Freestad advised the council that the marshall, Elmer Peter, had resigned and that the town was now without a marshall. Some discussion followed on how to obtain a new marshall.

A motion was made by Councilman Bishop and seconded by Councilman McCausland that the town place an add in a police magazine for a retired policeman for part time marshall and have them state qualifications etc. Motion carried by a vote of all councilmen present.

Being no further business a motion to adjourn was made by Councilman Bishop and seconded by Councilman Snell that this meeting be adjourned. Motion carried.

Councilman Snell advised the council that a representative of the Association of Washington Cities would help the town to obtain a marshall if at all possible.

Mr. Joe McCabe was present to inquire if the town would finish the rock work along the river near his and Mrs. Eby's property. Mayor Freestad advised that he was in contact with the County Flood Control people and hoped to get this work done this fall.

A motion was made by Councilman Thompson and seconded by Councilman McCausland that the town clean up the maloney creek below the bridge and authorized the Mayor to rent a dragline to do this work.

The clerk was instructed to write to the rating bureau and request a reexamination of our water system. A copy of this letter to be sent to the State Insurance Examiner.

Some work was started on the tentative budget for the year 1964, but as the hour was late a motion to recess was made by Councilman Snell and seconded by Councilman Richards and to re-convene Sept. 9th at 8:00 p.m. Motion carried by vote of all members present. Meeting recessed.

The meeting was re-convened at 7:00 p.m. September 9th and after several hours work a motion was made by Councilman Thompson and seconded by Councilman Bishop that the tentative budget as read by the clerk be passed and that a protest meeting be held on October 2nd, 1963. This motion was passed by a unanimous vote of the council.

Motion to adjour was made by Councilman McCausland and seconded by Councilman Snell. Motion carried, Meeting was adjourned.

Mr. McCabe, Mrs. McGrath and Mrs. Eby were present to request that a ditch be installed near their property to keep surface water from running into their property and also to inquire regarding some bank protection near their property. They were advised that the ditch would be put in and that the town was trying to contact the County Flood Control people regarding the bank protection.

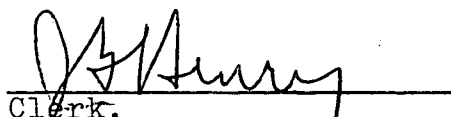

Mr. Shepardson was present to complain regarding the lack of traffic enforcement in Skykomish. He was advised that the town was trying to hire a marshall who would do enforcement work and also that the town would write to the Sheriff to determine how much assistance the resident deputy could give to the town.

A motion was made by Councilman Thompson and seconded by Councilman Richards that a street light be installed near the Nelson property in the newly annexed area on the north side of the River, and also one near the school garage. This motion was carried by a unanimous vote of the council.

A motion was made by Councilman Bishop and seconded by Councilman Thompson that the budget as read for the year 1964 be adopted. This motion was passed by a unanimous vote of the council.

The first and second reading of a proposed ordinance changing the meeting date of the council to the second monday of each month was read by the clerk.

Being no further business a motion to adjourn was made by Councilman Bishop and seconded by Councilman Richards. Motion carried.

The subject of drainage for certain street was brought up before the council and it was decided by the members of the council to seek the aid of James McGrath and Robert Norton to determine the most feasible drainage routes; on the city streets which should be drained.

A discussion regarding the method and financing of the surfacing of the town streets was made by the council. Various methods and means were suggested but due to lack of finances no concrete plans were adopted.

Mrs. Herman Hanson showed the Council the signs which will be used during clean-up week. Mayor Freestad at this time proclaimed "Clean-Up Week" for the Town of Skykomish to be the Week of May 18th to May 23rd, and urged everyone to co-operate.

A motion by Councilman Snell and Seconded by Councilman Stanton to make Elmer Peter a deputy Town Marshall with his pay being \$5.00 per month and the town paying for his Bond was carried by a vote of all councilmen present. Motion Carried.

Communications read by the clerk included a letter from Instruments Lab. regarding Floridation and one from Equipment Inc. regarding stripping equipment.

A motion was made by Councilman Thompson and seconded by Councilman Snell that the Town Purchase a plow and grader truck from the State Highway Department at a cost of \$868.10. This motion was carried by a vote of all councilmen present.

A motion was made by Councilman Snell and Seconded by Councilman Richards that the Town sell their loader-grader at a price not less than \$850.00. This motion was passed by a vote of all councilmen present.

Being no further business a motion to adjourn was made by Councilman Thompson and seconded by Councilman McCausland. Motion was carried by a vote of all councilmen present.

Regular Meeting of June 8, 1964.

This meeting was called to order by Mayor Freestad.
Councilmen Present: Snell, McCausland, Richards, Thompson, Stanton.
Minutes of the previous meeting were read and approved.
Current bills were read and ordered paid.

Mayor Freestad appointed the following councilmen to the various committees.

<u>Finance</u>	<u>Water</u>	<u>Street</u>	<u>Garbage</u>	<u>Park</u>
Richards	Snell	Snell	Snell	McCausland
McCausland	Thompson	Thompson	Stanton	Snell
Thompson	Stanton	Stanton	McCausland	Richards

Mr. Riddle was present to make a complaint about the teenagers who loiter around his place of business at late hours. It was suggested that he put up signs prohibiting children of school age loitering on his premises after 11:00 p.m.

Mayor Freestad suggested that the Town look into the possibility of having Mrs. Lucile Dean appointed as deputy water collector to collect water bills during the day. The council suggested that this matter be investigated. It was also suggested that a 10% penalty be assessed against all water accounts more than two months past due.

A motion was made by Councilman Richards and seconded by Councilman McCausland that Lucile Dean be appointed as deputy water collector and be paid \$07 cents per account that she collects.

The clerk was instructed to contact the Assn. of Washington Cities regarding a special Election to raise funds for street work.

A motion was made by Councilman Richards and seconded by Councilman Stanton that Joyce Hanson be paid \$15.00 for services rendered in cleaning the City Hall walls and floors. This motion was carried by a vote of all councilmen present.

Being no further business a motion to adjourn was made by Councilman Richards and seconded by Councilman Stanton. Motion carried.

Mr. Riddle was present at this meeting to ask regarding permission of the Council to moving his Class A Beer license from the Skykomish Hotel to a proposed location north of the Skykomish Bridge. The Council took the matter under advisement. Councilman Thompson advised the council that he was opposed to the transference of the license and believed that it should remain at the present location.

Mrs. Harris requested a slow sign be placed near her place of business as many cars drove past too fast. The council agreed and directed Sup't Hanson to place such a sign.

It was suggested that all of the streets in town be numbered or named with street signs. Mayor Freestad advised the council that Sup't Hanson had some signs on hand and would have them painted.

On a motion by Councilman Thompson and seconded by Councilman Snell, this meeting was recessed until a later date when it will be reconvened by call of the Mayor.

The meeting was reconvened on September 4th, 1964 with Councilmen Richards, McCausland and Thompson present. The clerk was instructed to contact an attorney regarding the issuing of a Bond issue to finance a street project.

The matter of collecting back water rent was suggested by the clerk who advised that there was almost \$5,000.00 outstanding in past due water accounts. The clerk was authorized to have 500 water agreement notices printed. The clerk also advised the council that the State Auditor had stated that the council was liable to the town for any water account that exceeds 120 days.

Being no further business a motion to adjourn was made by Councilman Thompson and seconded by Councilman Richards. Motion Carried..

A resolution was presented to the Council that the town should submit to a vote of the people either at the General Election on November 3rd or at a special election, whether the people of the town of Skykomish wished to place a special levy of 50 miles on the tax rolls of property situate within the limits of the Town of Skykomish for the period of one year, said money derived from the special levy to pave all the streets in the town of Skykomish.

A motion was made by Councilman Thompson and was seconded by Councilman Stanton that this resolution calling for a special election be approved and authorizing the clerk to proceed to have such a special election on November 3rd, if possible, and if not possible then to prepare for a special election. This motion was carried by a vote of all councilmen present.

Mr. Robertson and Mr. Arnt were present at this meeting to request a building permit for the restoring of the Skykomish Hotel Building, and to explain their plans for the building. They stated that they would also apply for a dance permit in the near future.

The first and second reading of an ordinance permitting the Town of Skykomish to join the State Employee's System was read by the clerk and was approved by the Council on a motion by Councilman Thompson and seconded by Councilman Snell. The clerk was directed to post a copy of such ordinance according to law.

The first and second reading of an ordinance creating a curfew law in the Town of Skykomish was read by the clerk. A motion was made by Councilman Snell and seconded by Councilman Thompson that this reading be approved and that the clerk post said ordinance and set a date for a protest meeting according to law. The motion was carried by a vote of all councilmen present.

A motion was made by Councilman Thompson and seconded by Councilman Richards that the 1965 Budget as presented by the finance committee be adopted as there were no protest to its passage. This motion was carried by a vote of all councilmen present. The clerk was directed to notify the County Assessor of the 15 mill levy and send a copy of the printed budget to his office.

Being no further business this meeting was adjourned on a motion by Councilman Richards, seconded by Councilman McCausland. Carried.

The third and final reading of the curfew Ordinance was read by the clerk. After some discussion by various visitors at this meeting the ordinance was ammended to read that the age limit for smoking on the streets of Skykomish should be raised to 18 years instead of 16. A Motion was made by Councilman Stanton and seconded by Councilman McCausland that the Curfew Ordinance as ammended be passed. This motion was carried by a unanimous vote of the council.

The third and final reading of an Ordinance authorizing the Town of Skykomish to cover all city employees in the State Retirement Pension System was read by the clerk. Being no Protests a motion was made by Councilman Richards and was seconded by Councilman Thompson that this ordinance be adopted. The motion was carried by a vote of all councilmen present.

A letter was read by the clerk from Mr. Arnt, owner of the Skykomish Hotel, requesting a permit from the town to allow dancing at his licensed premises. After some discussion a motion was made by Councilman Snell and seconded by Councilman Richards that the Council approve, and upon request, notify the State Liquor Board of this action. Mayor Freestad called for a vote on the motion with the following results. For the Motion: Councilman Snell, Richards, McCausland. Against the Motion: Thompson, Stanton. Councilman Thompson requested that the Liquor Board be informed of the split vote on the ordinance.

Water Collector Pasley informed the Council that there were a number of delinquent water accounts which he was unable to collect. A motion was made by Councilman Snell and was seconded by Councilman Richards that all past due accounts should either make arrangements to be paid or that water service should be shut off. This motion was passed by a unanimous vote of the council.

Being no further business a motion to adjourn was made by Councilman Thompson and seconded by Councilman Thompson. Motion Carried.

Mr. Monaghan was present to request that his restraurant be notified when the town shuts the water off or flushed the hydrants so that he may shut off his ice cube machine before dirty water gets into the machine.

Marshall Peters requested that an extra deputy be hired on week-ends during the ski season ~~xx~~ as a rough element seems to be coming into Town on Saturday nights.

Mayor Freestad advised the Council that the U.S. Forest Service had inquired regarding the Town running a water line to their new site at the old Flynn's Garage Property about $\frac{1}{2}$ mile east of the town city limits. It was suggested that an estimate be given the Forest service as to cost on installing such a line and the necessary rate to ammoratize the investment.

It was suggest that the clerk write another letter to the state Hi-way Department regarding the Highway light near ~~se~~ the Nelson Junction.

Being no further business a motion to adjourn was made by Councilman Snell and Seconded by Councilman Richards. Motion carried, Meeting adjourned.
