CERTIFICATION

Story Xperiential with Pixar - May 2022

- I learned the storytelling process as practiced at Pixar to create a storyreel of my own short story.
- I collaborated with my teammates throughout the process and gave and received feedback on our projects.

Branding with a Cause - December 2019

- I had the unique opportunity to work within Los Angeles City Hall through the Community Justice Initiative (CJI).
- This course taught me how art and design has been used to promote social justice and change.
- I was responsible for designing the logo for all seven departments within CJI and using my illustration to display our branding Program.
