Preventative Maintenance

Yearly Maintenance Agreements can save you heart ache *and* money on expensive repairs. Have a look at the following common repair that could easily be your home.....

Failed Compressor- just out of warranty
Repair Costs- \$1,900*
Labor Costs- \$ 400*
Total- **\$2,300***

BUT, with Green Springs Mechanical's Yearly Maintenance Agreement, repair costs can be very different...

Repair Costs- \$1,710*
Labor Cost- \$ 360*
Total- \$2,070*

That is a savings of \$230* on just one repair!
This savings pays for the yearly investment on a heat pump system for the year, **AND** you get stellar service year-round!

*Prices are estimated and are not actual costs.

System acting up on the weekend?

Say goodbye to costly weekend or after-hours labor rates!

With a yearly maintenance agreement, you get to enjoy the same emergency service without paying the extra costs!

How about paying less to get more?

Unscheduled comfort issues happen, and when they do, you could be paying less for diagnostic fees!

Clients who invest in a yearly maintenance agreement enjoy a discounted Diagnostic fee. It is the same detailed service but at a more appealing price tag!

It is easy to forget about your Heating and Air Conditioning system, until it is not working. You realize quickly that unexpected repairs can cost you hundreds of dollars.
