Open Office

DeProMark's goal is to deliver the solution from concept to rollout.

Our specialties include design, temporary or permanent solutions, product creation, and bringing these ideas to market.

We support our clients' large or small projects with customized designs and cost-effective services.

In addition to our standard product line,  
**Studio 8 Furniture can provide**  
**Architectural Millwork**  
**Interior Design Services**  
**Graphics**  
**for your new or expanding location.**  
**Contact us today!**

*"I have called on Frank for control room builds, technical furniture, and cabinetry and equipment fixtures on sets. His knowledge of mounting electronic equipment, ventilation requirements, power and cable access is crucial to the success of these projects. He inspires confidence in the knowledge that when he has an order, it is taken care of."*
