From: Queen Mirabelle of Lytheros

Your Majesty,

Greetings and warm wishes from Lytheros. I hope this letter finds you in good health and high spirits. I am writing to you on a matter of great importance and potential mutual benefit for our respective kingdoms.

As you are aware, my son has completed twenty-five cycles, a time when most young men of his stature have settled down with a suitable partner. Unfortunately, despite our best efforts, he remains unattached. This situation not only concerns me as a mother but also has implications for the future of our kingdom. In light of this, I propose a meeting over tea to discuss a potential union between my son and the princess of Sylvanfell.

Awaiting your favorable response.

With deepest respect,

Queen Mirabelle of Lytheros
