

Bronco Fans & Supporters,

As we kick off this week, I want to take this opportunity to thank all of the people that make Bronco Football a possibility. The support that we receive from our parents, teachers, administrators, and community is absolutely incredible.

It makes me so proud to be a Bronco!

The only thing that fires me up more than a Friday night in here Mustang is the positive impact that our coaches are making on the young men that you have entrusted us with.

We see victory each day in the hearts and minds of our players as they develop into the future leaders of our community.

As you enjoy the game tonight, I want to challenge you to be loud, proud, and encouraging to our players, coaches, administrators, and those around you.

Let's show this state what a team and town filled with #CharacterLeaders is all about!

Tonight, our coaches, players, and fans will give our very best.

Our best is our standard. God Bless and Go Broncos!

Sincerely,

**Lee Blankenship
