Letter from the Bishop:

Dear Parish Family.

Thank you all very much for your prayers and best wishes for my son, Johnny, as he begins life in Ireland. He sends his regards to all of you and his love and prayers. Johnny has found a Church where he feels spiritually fed, and he has become friends with the priest and the priest's wife. He has participated in the church music, especially in the Christmas season.

He enjoys helping out on the farm, feeding cattle, cleaning stalls and other farming tasks. He plays music gigs in some of the local establishments, and has become very involved in the music and arts community. He has become very inspired to write music and lyrics. There is a recording of some of his music in the works. Johnny is very happy and productive in his new homeland, the home of his father and forefathers going back generations. He appreciates your prayers, as do I, please continue to keep him in your prayers.

As we go through the year, we look forward to the events that are scheduled and please begin to make plans for St. Patrick's dinner dance.

Our Parish will, by the Grace of God, grow during this coming year.

With love and prayers.

Bishop John Vaughan
