### A DINNER FOR CHANGE

I am hijacking Fr. Mike's column to tell you about a ministry that is near and dear to our hearts. In 1998, Fr. Mike was a newly ordained Deacon, our church hosted Bishop John Kivuva from Gilgil, Kenya. His story of negotiating with the warring tribes moved us to donate a projector that he could use to travel around Kenya to show his Jesus Story! He also wanted to start a school for street children. We hosted one of his proteges, Emmanuel Kokonyo for a summer, while he attended school nearby.

Fast forward to 2015, we reconnected on Facebook with Bishop John. He visited us in Maryland and shared that 70,000 people had seen his Jesus Story!!! We were overwhelmed with this wonderful news! He traveled through Kenya and Tanzania while starting a school in Gilgil and became known as the Movie Priest in the region. What a moving story to know how many people were touched by our small donation. Emmanuel planted a church which has grown from funds we initially raised for drilling a well.

Also in 2015, Bishop John introduced us to Samson Karens and his wife, Alice Onzare. Samson was one of the street boys saved by the Bishop, who came to the US to finish his degree in theology. I assisted him setting up a non-profit foundation named Change Destiny, fed his family, with Claire helping, we delivered their first Christmas tree and met newly born Candace, prayed for all of our families together.

On **September 16, 2021**, Fr. Mike and I would like to invite all to a dinner in our Parish Hall at 6 PM to raise awareness and money for Change Destiny. We will connect to the founders via Zoom at a dinner being held in Maryland. We will have videos of the 12 children currently being supported for schooling in Naivasha, Kenya. Our prayer has always been, the more we Give to others, the more we are Blessed. We pray that you will all join us and are moved to give a love offering for this ministry.
