Father Michael's Musings

January 2024

The calendar changes from 2023 to 2024, and the New Year rings in with great hope for good health, prosperity, peace, and love. Though the Christian new year actually begins in December, with beginning of Advent, we join with the world in our prayers for a Happy New Year. In fact, one of the traditions that Christianity continued and adapted from our Jewish heritage is establishing January 1 as the Feast of the Circumcision, commemorating the bestowing of our Godly, name, character and destiny.

To modern minds, circumcision is a quaint and seemingly unnecessary cosmetic surgery. To the Jews, it was the outward and visible sign of the unique relationship that they shared as the people of God, through whom His Name and blessing would flow into the world. That is why babies were named at the time of their Circumcision. They were formally introduced as a child of God, and also introduced to the responsibilities to God and to their neighbors that accompanied their new identity.

Christians don't mandate circumcision as the outward and visible sign as their inheritance under the New Covenant as the successor to Jews. We do, however, have Baptism as our sacramental heir to circumcision. At our Baptism, we are dedicated to our new name, character and destiny. Traditionally, we also impose a baptismal name to mark the reception of our new identity.

It is very fitting that we celebrate the Feast of the Circumcision, when Jesus officially received His name, on January 1. We enter the New Year under the protection and blessings of His name and "baptize" the New Year to the purpose of praising God, thanking Him, and most especially becoming obedient to his great commandments. I hope we will all dedicate our 2024 to loving God with all our heart and mind and strength and loving our neighbors as ourselves. I wish you a blessed New Year and hope you will join us for services in the coming year.

God Bless you.

Food Pantry Items

We are collecting Food Pantry Items and there is a blue container in Dorman Hall where you can place them. Items should be non-perishable and not expired. We will be using these

items for people we know in the community or our congregation. Examples of needed items are cans with lids that pop off (like soup, chili, etc.) Peanut butter & Jelly, crackers, cereal, canned meat, etc. Items that can be opened without a can opener or can be eaten without a stove.

Items Needed for Church

Needed Items

We are in need of the following items for St. Patrick's if you have the ability to provide them that would be greatly appreciated:

Coffee cups (non Styrofoam without the lids), paper bowls, case of water, & toilet plunger. If someone would like to take monthly inventory and relay it to me, that would be terrific. I have an inventory list. Please see Linda Simmen for more information.

Parish Work Day

On the 3rd Saturday of every month we have a Parish Work Day. The facilities inside and out are maintained by the hardworking people of St. Patrick's with the exception of Lawn Cutting. We are now in a cooler season and I am hoping on Saturday January 20th from 9am-12pm, we can not only do our normal inside cleaning and maintenance but tackle a few outside projects, such as the Memorial Garden. If you can come on Saturday for an hour or the entire 3 hours it will make a huge difference. Lunch provided. If you can't make Saturday but want to donate some time, please call me. Linda Simmen 321-480-0927

Our Parish offers prayers daily for people on the Prayer List. To add a name to the Prayer List please contact one of the clergy of the church or call 321-802-1311 or add on our website: www.stpatrickspsj.org
