FATHER MIKE'S MUSING

One of the characteristics of the Anglican Church, in most jurisdictions and countries in which it is established, is the close relationship between the Armed Services of that country and the Church. In our country, the early Episcopal Church included George Washington and many of his staff officers. The Continuing Anglican Churches have included several Bishops who were also generals. In our Diocese, Father Keller at St George's was Chief of Boat in the submarine service. Bishop Vaughan was an enlisted soldier in Ireland during "the troubles". Our Vicar General, Canon Hawtin was what he describes as 'the most dangerous weapon in the English army', a junior officer with a map and out of sight and supervision of his Sargent.

In our parish, Father Tim's father served and struggled with the ravages of Agent Orange. Father Chet was in the Air Force, perhaps on a bi-plane? Father Robert served on aircraft carriers, launching fighter jets from the decks. We have many men and women in the congregation that have served with distinction and at great sacrifice.

I mention this for two reasons. May brings us our Memorial Day celebration, during which we honor all those who have given their lives in the service of their country and our rights. We will celebrate Memorial Day at Mass on Sunday, May 30th. If there have been Veterans in your families that you would want remembered on the Altar at those services, please let me know, and we will be proud to offer up our prayers and thanksgiving at each of the services.

Father Robert is also starting a community monthly breakfast for our Veterans and their spouses. The first breakfast will be at 9:00 AM on Saturday, April 25th. We would be proud to have you stop in so we can serve you and express our gratitude for your service. We will continue to prepare breakfast for our Veterans at 9:00 on May 28th and every 4th Saturday of the month through the summer. We thank God that He has shed His Grace on our country and we appreciate and honor all those who have offered their time, their health, and even their lives as a sacrifice in defense of our freedoms.

There is one additional May event, not strictly connected to the military, but enjoyed by many British in the Armed Forces. The ladies of the parish will offer an English Tea on Saturday, May 1st, from noon until 3:00 PM. If you are a lover of things British, we would be glad to have you join us in the Parish Hall, turned Tea Room.

God bless you all.

Father Michael
