Diocese of the Eastern United States – Anglican Church of America

## Letter from the Bishop:

Dear Parish Family:

Wishing everyone a very happy St. Patrick's month. I know that everyone is excited about our upcoming St. Patrick's Day party on March 16th. And the Holy Eucharist to celebrate his feast day on Sunday the 17th. St. Patrick, as everyone knows is patron Saint of Ireland and he is the patron Saint of our beloved church.

The shamrock is a symbol of Christianity because St. Patrick used it as a teaching tool to instruct the Irish people on the Holy Trinity. I know that many people here in the USA seem to think that it is a symbol of Irish pubs. I look forward to seeing you all at the party and I hope that you will invite friends and family to enjoy the evening with us. As always, we hope some of you can take the time to help prepare the veggies.

I also want to thank everyone for the great success of our yard sale, which has raised \$350. You all did very well. And I certainly want to thank you all for an amazing, somewhat of a surprise, birthday celebration, your kindness was great beyond words. Bless you all everyone.

We have installed security cameras around the church to protect against further break ins or trespassing. And we will pursue whatever is necessary to apprehend those responsible for the recent break in.

Blessings, love and prayers to you and yours.

**Bishop John Vaughan**
