### Father Michael's Musings for July

I was having lunch with Carolyn at Mission Barbecue and noticed a plaque on the wall with a quote from General Peter Pace. "There are those who speak about you and say, he lost an arm, he lost a leg, she lost her sight. I object. You gave your arm, you gave your leg, you gave your sight, as gifts to your nation that we might have our freedom. Thank you, families of the fallen, and families of the wounded. You have sacrificed in a way that those who have not walked in your shoes cannot imagine." Of course, that sentiment extends to everyone who gave years of their life to the defense of freedom, and to the families of those who served and sacrificed.

These sentiments should be natural for us as Christians living in a nation founded under God. Our most important duties as Christians are to give of ourselves and our talents and to make the sufferings of our lives a sacrifice of thanksgiving. God teaches us that the only way we can serve Him, is by reflecting the Love that He has shown us to the people He has put in our lives. As we prepare to celebrate our Independence Day, we should absolutely be mindful of the myriad sacrifices that were made so that we could be the beneficiaries of the freedoms this country has to offer. We need to be thankful, and we need to be diligent in expressing our gratitude.

We also need to be introspective and honest about our own efforts to make the sacrifices that are required of us as Christians. Are we offering our hands, our voices, our backs, our hearts, our patience and our attention to the people who surround us? Are we reflections of Christ's love to the world? Will those we leave behind when we go to our reward say of us; he gave his time to his family and friends, she gave her heart to those in need, he always had an ear for me when I needed to talk, they were there for their community when no one else would stand. This type of introspection should motivate us. We should long to be spoken of with that type of reverence and appreciation. We should strive to live the kind of life that will lead our Lord to say of us, "Well done, my good and faithful servant."

May God bless you all.

### Community Outreach

St Patrick's collected and donated a grocery cart full of foods for the Sharing Center of Central Brevard. This was a result of the Concert organized by Alberto Rivera. The manager was grateful for the gift and said that mosquito repellent has been in short supply. We could add that to the list of donations as our outreach to the community grows.

Church needs are always toilet paper, paper towels, Clorox wipes or bleach. Linda Simmen just picked up two containers of wipes as a donation from a close friend.

Our next project is buying and filling backpacks for kids. Everyone is being so generous during Covid19!

Keep up the good work! Stay safe out there! Carolyn
