

Petoskey Field House Response to MDHHS Emergency Order

As we have made clear from the start of this venture, our priority at Petoskey Field House is the health and safety of our community. With this in mind and with respect to the MDHHS Emergency Order that takes effect Wednesday, November 18th, we are taking the following steps:

1. Our Northern Michigan Elite soccer Fall semester will conclude on Monday, November 16th for girls and Tuesday, November 17th for boys. These remaining sessions will be structured to enforce strict social distancing with masks required at all times while in the facility as a participant or spectator.
2. Our facility will be closed to drop-in and membership use after close of business on November 17th, with a planned reopening date of Wednesday, December 9th, with the exception of HÖM Fitness, which will abide by the following:
 - a. Maximum of 6 people working out within our facility at one time (allowing for over 500 square feet per personal work space.)
 - b. Workout details will be provided on-site but not led by an instructor. One of our instructors will be on site to assist individuals as needed.
 - c. Registration via ZenPlanner is required to schedule a workout time.
3. Adult Soccer League games will be rescheduled for after December 8th with every effort made to complete the full slate of scheduled games for the Fall 2020 season.

There's no getting around it – this is a difficult time for us as a new business working to bring an exciting new service to Northern Michigan. We want nothing more than to be open and operating at full capacity, but we refuse to put our business concerns ahead of our community.

We hope you'll support us by maintaining your membership and signing up for our Winter soccer programming which is still on as scheduled. **We also have decided to launch our Black Friday Holiday Special early and extend it throughout this shutdown period. Starting November 18th through December 8th, we will be offering \$100 gift cards for just \$75!** These cards do not expire and can be transferred to anyone, making them a perfect holiday gift! We hope you'll take advantage of this great deal while supporting our new business at a time we aren't otherwise able to open our doors.

We are so grateful for the support to date and thank you in advance for continuing to be by our side. Together we will get through these tough times and we look forward to countless hours of fun and friendship at Petoskey Field House!
